PROPOSALS.

SEALED BIDS will be received by the Board of Water Supply at its offices, twenty-second floor, Municipal Building, Park Row, Centre and Chambers streets, New York city, until 11 A. M., on Tuesday, April 27, 1920, for Contract 204, for the construction of two steel bridges and approaches in connection with the new system of highways around the Schoharie reservoir; one of these, the Schoharie bridge, will have two spans, with a total length of 222 feet, and the other, the Manorkill bridge, will have a single span of 150 feet. Both bridges will have roadways 17 feet 6 inches wide. Approximately 753,000 pounds of structural steel will be required for the construction of the bridges. The work is located in the Towns of Gilboa and Conesville, Schoharie County, New York, from 4½ to 6½ miles from the Grand Gorge station, on the Ulster and Delaware Railroad.

At the above place and time the bids will be publicly opened and read. Pamphlets containing information for bidders and contract drawings can be obtained at the above address, at the office of the secretary, by depositing the sum of ten dollars ($10) in cash or its equivalent for each pamphlet. For further particulars apply to the office of the Chief Engineer at the above address.

JOHN F. GALVIN, President,
CHARLES N. CHADWICK,
L. J. O'REILLY,
Commissioners, Board of Water Supply.
