RIVER MEN URGE CHANGE IN RATES

Shipping Board to Be Asked for More Vessels.

ST LOUIS, April 20.—Resolutions urging that the United States Shipping Board equalize rates on all imports and exports were adopted here to-night at the convention of the Mississippi Valley Association.

The resolutions asked that the differential on shipping through North Atlantic ports be lifted. They stated that under present rates some shipments are allowed to pass through these ports 15 cents a hundred pounds cheaper than through the Gulf gateways. This differential, it was said, diverts many shipments to the Atlantic ports that under equal rates, would pass through the Gulf ports.

An increased percentage of ships also was requested from the Shipping Board. It was declared in resolutions that although 50 per cent. of the country's commerce is controlled in the Mississippi Valley the board has assigned only 15½ per cent. of its tonnage to the Gulf gateways.

Committees of the association and the Mississippi Valley Waterways Association conferred to-day on the proposed amalgamation of the two organizations.

The principal speaker at a banquet to-night was Admiral Corderio de Graca of the Brazilian navy.

Clara Barton Memorial.

The schoolhouse in which Clara Barton taught at Bordentown, N. J., is to be acquired and restored by a committee of citizens of that place. The building is now occupied as a residence. The committee, headed by Miss Minnie V. Flynn, principal of the Bordentown High School, has succeeded in getting some of the furniture installed in the school in Miss Barton's time. A drive for funds is being made.

POOR PAY CAUSING NAVY DESERTIONS

Admiral Bassett Declares Unrest Permeates Department.

Special to THE SUN AND NEW YORK HERALD.

CHICAGO, April 20.—Admiral Frederick B. Bassett, commandant of Great Lakes Naval Training Station, declared to-day at the banquet of the Sons of the American Revolution that unrest has permeated the navy.

"I am violating no confidence," he said, "when I tell you there were 700 desertions in the navy last month. Many of them were veteran petty officers. What is the cause? Low pay and the general unrest." In the navy a man doesn't get even the pay of a common laborer. Why, the officers in the navy get so little money that I would be ashamed to tell you gentlemen the amounts."

The corrected reading of the barometer (reduced to sea level) at New York on Tuesday, April 20, 1920, at 8 AM, as reported by the United States Weather Bureau, was thirty and four hundredths (30.04) inches. This closely approximates seven hundred and sixty-three (763) millimetres. Captains of all vessels now lying in or near the ports of New York and Brooklyn can advantageously use the above official data for observing whether their own barometers require any considerable correction or adjustment.

Wind at Sandy Hook, 8 PM, S, 9 miles; cloudy; light sea. At City Island at sunset, S, light breeze; cloudy; smooth sea.

The crew of schr Gladys M Street (Br) left for their homes on str Prince Arthur.

Continued search for the wooden str William O'Brien, which asked for assistance last Sunday, saying she was taking in water rapidly, brought no word of her to-day. Four vessels, including the Coast Guard cutters Seminole and Acushnet and strs Baltic and Minnekahada, which have been on the lookout for the disabled vessels, reported that they had been unable to get into communication with her. The William O'Brien left New York April 15 with coal for Rotterdam. The last message from her was received at 9:30 PM 18th, when the call for aid was sent. She gave her position as about 500 miles east of Philadelphia, and said she was "steering south 16 east."

Later—The picking up of a lifeboat marked "William O'Brien" was reported by str Post Saunders in a message relayed here by the Coast Guard cutter Acushnet to-night. It was found in lat 39 50 N, lon 65 W, close to the position from which the William O'Brien sent out distress calls on the night of April 18.

Str Lake Favonia, from Baltimore for Dundee, in a wireless message from lat 39 10, lon 67 20, received to-day, said that she had come through a terrific northwest gale and that for many hours her hatches were almost under.

Str Fondondan (Fr), New York for Halifax, before reported disabled in lat 40 50, lon 67 51, requests assistance.

ELIZABETH, NJ, April 20—Str Nanshon was launched to-day at the Moore plant of the Bethlehem Shipbuilding Corporation, Ltd. She is the twenty-fifth vessel built here for the Emergency Fleet Corporation. She is of 5,100 deadweight capacity. The first keel plate was laid on Sept 18, 1919.

LONDON, April 20—A fire broke out in hold of a lighter loaded with 1,500 bales of cotton ex-str Wilcox, at Savona; fire not yet extinguished.

Aux schr Chiquimula, with cargo of mahogany, went ashore at Cape Gracias April 13; assistance is with her; jettisoned deckload.

MADRID, April 19—Propositions for the construction of an extensive port at Vigo have been approved by the Ministry. This work will be done to facilitate the constantly increasing commerce there. A royal decree will be signed Tuesday authorizing the issue of 100,000,000 pesets loan for the building of docks at Vigo, which, it is reported, will be constructed by a New York firm. It is rumored that American financiers have agreed to subscribe a considerable portion of the loan.

NEW LONDON, Ct, April 20—Str E A Morse, New York for Genoa (before reported), arrived here to-day under her own steam. Will probably go into drydock.
