AT A MEETING OF ENGINE COMPANY, NO. 14, held on Friday, April 26th, the following resolutions were adopted:—
Whereas, by a dispensation of Providence, we have lost from our midst our esteemed friend and fellow member, John L. Guire, who was stricken down in the prime of his manhood, whilst in the discharge of his duty as a fireman of the city of New York; and, whereas, we have witnessed and stood appalled at the heart rending agony of his aged mother, his bereaved widow and fatherless children, we, the members of Engine Company, No. 14, have met for the purpose of expressing our views of circumstances connected with the sad calamity, and of adopting such measures as may seem proper for the further manifestation of the deep regret that we, in common with his numerous relatives and friends, feel for the loss we have sustained—
Be it, therefore, resolved, That we, the members of Engine Co. No. 14, condole with the afflicted family of the deceased, knowing him to be possessed of those qualities which were calculated to endear him to his relatives and friends; and esteemed as a good and useful citizen, we regard his loss as a public calamity.
Resolved, That to all those who so humanely assisted us in ministering to the wants of our deceased companion in the hour of his extreme necessity, we tender our most sincere thanks.
Resolved, That words cannot express the gratitude we feel towards that most excellent couple, Dr. Traphagan and lady, for their timely, self-sacrificing, and unceasing endeavors to smooth the pillow of our dying friend; that a lady should leave her home at midnight to minister to the comforts of a dying stranger (a fireman), will fix for her a deep and abiding gratitude in the breast of every member of the Department.
Resolved, That we, the members of Engine Company No. 14, regard with unfeigned contempt—and we believe the whole Department will so regard—the conduct of Dr. Pratt, who when called upon to aid our suffering companion, peremptorily refused.
Resolved, That we consider the wanton carelessness and culpable neglect of many of our citizens to have properly secured, by doors and guards, the hatchways of their stores, call for the immediate attention of the proper authorities.
H. B. VENN, Chairman.
W. A. LANDER, Secretary.
The members and ex-members of the Company are requested to meet at the Engine Rooms at 1 P. M., Sunday, 28th inst.

Whereas, This Company, within a short period, were called upon to mourn the loss of one of their numbers, under similar circumstances, they can the more sincerely condole with the friends and associates of the late Mr. Guire.
Therefore, Resolved, That we do offer our condolence to the widow and friends of the deceased, and the Company to which he was attached, and pray that the Almighty, in his infinite mercy, may comfort the widow of the deceased in her sad affliction and bereavement, and teach her to submit, with resignation, to His holy will.
Resolved, That the members of this Company will attend as a body, the funeral of our late brother firemen.
