MEDICAL.

PARIS AND LONDON TREATMENT OF PRIVATE diseases in a few hours, by a vegetable application, without pain. In debility brought on by improper habits and constitutional affections, I combine medicines with the local remedy, and can show any one there are thousands who cannot be cured without it, as I have cases daily, of years' standing, from the other physicians, in all parts of the Union: cure. I have contractions daily, I cure without caustic, when others use, caused by their not expelling the disease soon enough. My diploma, with those, and the hundreds of certificates, show that none can equal it. You cured me in one day, B. M. Corbyn. You expelled my complaint in a few hours, C. Dorcel. I was under the other physicians over a year, without benefit; my body was covered, you cured me in a short time, John Rollison, Jr. I paid over $300 in five years, to be cured of debility, from self abuse, without benefit; you cured me, by local and general treatment, in a short time, Jas. Salisbury. Treatment by letter. Office hours from 8 A. M. to 2 P. M., and 7 to 9 P. M. DR. LARMONT, 43 Reade street, two doors from Broadway.

DR. RALPH, AUTHOR OF THE "PRACTICAL PRIVATE Treatise," Office hours, 9 to 12 A. M.; 6 to 9 P. M., (Sundays excepted)—No. 88 Greenwich street. From the uncommon medical advantages the author has enjoyed in this specialty, he has ample reason for stating that, in any stage of certain diseases, or their consequences, as well as the deplorable effects resulting from early improper habits, he can insure such certain, safe and radical cures, as can be obtained from no other source in America. Those who apply in the earlier stages, will be surprised at the ease and rapidity of the cure.

DR. MORRISON IS CONSULTED CONFIDENTIALLY on certain diseases, which he cures without mercury Recent affections in a few days. A practice of thirty years enables him to cure nervous debility, &c., consequent upon self-abuse. No fee till cured. See his London diploma, in his private office, 304½ Fulton street.

DR. RALPH'S PRACTICAL PRIVATE TREATISE ON certain diseases, in which the best and most convenient means of cure are stated in the plainest possible manner. It also contains the information of many years' experience, both in hospital and private practice, and is made especially valuable to those who have fallen into improper hands. None but those who have had peculiar opportunities of judging, can possibly imagine the numerous and varied sources of deception which exist on the subject, nor the sufferings, both in mind and body, they entail upon society. It is a fact, for instance, that in this city, thousands are going on from month to month, uncured of those complaints, and many of whom, indeed, have passed into those stages which no medicine in the world, alone can ever cure. Now, in this work, the causes of all these sufferings and delays will be seen immediately, and not only this, but the most rational and certain means of cure are also faithfully and clearly pointed out, with recipes for the remedies, &c., &c., 9th Ed., 342 pp., with illustrative plates. Price $1. May be had of the author, No. 88 Greenwich street, or by post, mailed free. Also of most booksellers, and of the publisher, No. 43 Ann street.
