Clear the Track for No. 8—The Lantern of next week will prove the fallacy of Americans not being able to issue a paper as novel as it is sufficient to excite the risibilities of our laughter loving community. The unprecented success of this paper has surprised the proprietors, and the feeling way in which the multitude take hold of it is told by the thousands that are sold weekly. Publication office, 149 Fulton street, and sold by all the news agents. Ready on Monday morning—price 6¼ cents.

Dr. Dods on Psychology—By which science you can cure every person of disease and consumption that can be placed in the clairvoyant psychological state; and those persons who can be brought naturally to it are more susceptible to immediate relief than those brought into it artificially, as by the use of Mesmerism, Animal Magnetism or Nervous Antidote, and can be cured as certainly and permanently as by the magnetic cattle. Fowler & Wells, Nassau street.

New Principle in Hair-Cutting!—Clean Hair Brushes by the thousand! Fourteen of the best Artists in America! The most magnificent Hair-dressing establishment in the World. Features all now unheard of! New systems—new styles—a new era in Hair-cutting! Fourteen Artists unsurpassed in the world are always on the spot. There are clean hair Brushes for all by the hands—full—like a beautiful head of hair. The Saloons are as splendid as the Palace of a royal residence. The attendance for Hair-cutting or the Bath is instant. Every gentleman feels himself in his element the moment he enters the doors. The style of Cutting and Dressing the Hair eclipses anything before dreamed of in New York. In fact at Phalon's Crystal Palace, 197 Broadway, corner of Dey-street, are elucidated more combinations of excellence and convenience, than ever before gathered within the four walls of any temporal establishment upon the face of the earth. So say all who seek Hair Dying.—Phalon's Magic Hair Dye, to color the hair or whiskers, the moment it is applied, without injury to the hair or skin. It can be washed immediately without disturbing the color, and has no bad odor. It is applied, or sold, at Phalon's Wig and Toupee manufactory.

Dr. Kellinger Again on the Hair—Hair or no hair, is the question now before the people. Has Dr. K.'s Magic Fluid restored a head of hair half 20 years? Hear what Mr J. H. Merriam, of 67 Watt street, says:—Dr. Kellinger—Dear Sir—My cousin, Mr. M. E. Dixon, formerly of New York city, was bald from his 17th to his 42d year; had his portrait taken on a bald head; and afterwards his daguerreotype taken with a beautiful fine, soft, head of hair. This can be proven to the satisfaction of any one who will call on Mr. M. Depots, 130 Pearl street, 464 and 476 Broadway. In large toilet bottles, $1 each; 6 for $5, and $9 a dozen.

Dr. Kellinger—sir—I know Mr. Wm. Sowen intimately for nearly 20 years; he was entirely bald. He called in at store 323 Greenwich street; he sat with his back fit brushing up his hair. I discovered the change, and asked what had produced it; he said solemnly that he had used nothing but your Fluid, and I have no doubt of the truth of his statement. I have used your remedy for over 8 years in my family for various purposes, and have ever been delighted with its operation. I know it cured my uncle of a protracted rheumatic affection, after all other remedies had failed.

Dr. Kellinger has, in addition to the above, and the thousands of others that can be adduced at the depots, had the superlative gratification of restoring the hair of Miss Susan Ellison, a highly respectable young lady, of No. 79 Norfolk street, who was bald and lost her eyebrows for a number of years. She has regained both, thicker and finer than her original hair. The Dr does indeed feel under lasting obligations to this lady, who called with her mother, and gave the reference.

Humbug, Humbug.—As all remedies that are advertised to cure are set down as humbugs, Dr. KELLINGER, as a matter of course, takes his chance among the rest. Notwithstanding the Doctor feels that he is entitled to some credit for humbugging the most profound scholars and respectable families in the nation, for nearly ten years, so delightfully, that they cannot nor will not do without his remedies. There is scarcely an editor or physician who does not buy or use them; and, if there are any who have not, they shall have an ample trial free of expense. Dr K. has most beautifully blended his principles, so that the patient, no matter what the disease, is medicated, cured and delighted. Even as the great Magyar, while he consoles, you can't help but be pleased. Dr. K is not exactly a Henry Clay or a Daniel Webster, a Lewis Cass or a John A. Dix; but all who will honor him with a call, at 476 Broadway, will find a very adaptable and an elastic member of the human family. Call and see him.
