The total value of foreign dry goods put upon the market during the week was $1,378,189. The amount warehoused was small. The movement in each of the first three weeks of this month were as follows:—

	Entered for Consumption.	Withdrawn from Warehouse.	Entered for Warehouse.
1st week	$766 326	$358 728	$93 271
2d do.	1 994 109	399,169	110 512
3d do.	1,067,333	267 826	110 573
Total	$3 767,668	$955 723	$314 356

It appears by this that the value put upon the market during the past three weeks was $4 703,391. Another week will probably swell this to an aggregate of more than six millions of dollars. In the month of January, 1852 the value of foreign dry goods put upon the market was $7,536 355.

FOREIGN MARKETS.

MATANZAS, Feb 16.—Since the date of our last circular, molasses has continued to decline, and, within the last day or two purchases have been made to a limited extent at 1r. The exports of new crop to the 31st ult., are 9,100 hhds., against 14,600 hhds. last year. Muscovado molasses is neglected, operations having been confined to a few lots of very choice at 3rs. The stock of sugars is still insufficient to induce an active market, and we note, so far, an unusual scarcity of the finer qualities. The Spaniards are eager buyers, and pay 6rs. for yellows, and 7 a 8rs. for whites; low and inferior kinds are neglected. We quote coquiche at 3¾ a 5¼; browns, 2¾ a 4¼; common yellows, 4¾ a 6; fine do., 5¼ a 6; white, 6 a 8rs. In Muscovados there have been but few operations at 5½ a 6rs for common to good, and 8rs for choice. Honey 2½rs per gallon, including cask. Box sheeks are dull at 1rs., sixty days. Last sale of boards, $23; yellow pine, $20. Hhd shooks are entirely without demand, and all arrivals have to go into store. Hoops, $25 a $30. Nails, $4 50. Lard, $14 a $15. Fish dull at 10 a 12rs. But few freights are offering, at $2 25 for molasses, and $4 25 per hhd. for sugar. Exchanges, 2½ a 3 per cent discount.
