CORPORATION NOTICES.

CROTON AQUEDUCT DEPARTMENT.—TO CONTRACTORS.—Sealed proposals will be received at the office of the Croton Aqueduct Department, (Rotunda, Park,) until Monday, the 22d day of August, 1852, at 3 o'clock P. M., to build a sewer with the necessary receiving basins and culverts in Chrystie street, from Walker to near Bayard street, being in length about 450 feet. The plan of the sewer and specifications for the building of the same, and all other information relating thereto, can be obtained on application to the Contract Clerk, at this office.

NICHOLAS DEAN,
President of the Croton Aqueduct Department.
New York, July 2, 1852.

CROTON AQUEDUCT DEPARTMENT.—TO CONTRACTORS.—Sealed proposals will be received at the office of the Croton Aqueduct Department, (Rotunda, Park,) until Monday, the 2d day of August, 1852, at 3 o'clock P. M., to build a sewer, with the necessary receiving basins and culverts, in Warren place, from Sixth avenue to Grove street, being in length about 492 feet. The plan of the sewer and specifications for the building of the same, and all other information relating thereto, can be obtained on application to the Contract Clerk, at this office.

NICHOLAS DEAN,
President of the Croton Aqueduct Department.
New York, July 21, 1852.

CORPORATION NOTICE.—PUBLIC NOTICE IS hereby given, to the owner or owners, or occupant or occupants, of all houses and lots improved or unimproved lands, affected thereby, that the following assessments have been completed by the Assessors, and are lodged in the office of the Bureau of Assessments, for examination by all persons interested, viz.: For building a sewer in Duane street, from the Hudson river to the crown between Hudson and Greenwich streets, and in Greenwich street, from about twenty-five feet south of Jay street to about twenty feet north of Warren street. The limits embraced by such assessment include all the several houses and lots of ground, vacant lots, pieces and parcels of land, situated on both sides of Duane street, from the crown between Greenwich and Hudson streets, on both sides of Greenwich street, between Reade and Jay streets, on both sides of Caroline, Washington, and Reade streets, northerly and southerly, to the crown of said streets, and on the east side of West street, one hundred feet north from Duane street. All persons whose interests are affected by the above named assessments, and who are opposed to the same, or either of them, are requested to present their objections, in writing, to the undersigned, at their office, No. 4 Hall of Records, within thirty days from the date of this notice.

SAMUEL H. DE MOTT,

CORPORATION NOTICE.—PUBLIC NOTICE IS hereby given, that a petition has been presented in the Board of Assistant Aldermen, for a sewer in Twenty-eighth street, from the Ninth avenue to Hudson river; also in Leroy street, from Hudson street to Hudson river; also a resolution relative to constructing sewer in Madison street, from Oliver to Catherine streets; and that a petition has been presented in the Board of Aldermen for a sewer in Thames street, from Rector to Morris street; also in Fifty-first street from Eighth avenue to Hudson river; also in avenue A, from Fourteenth street to Sixteenth street; also in Thirty-eighth street, from Second to Third avenues; also in Seventh avenue, from Twenty-third to Twenty-fourth street; and for a receiving basin at the north-west corner of Thirty-first street and Lexington avenue, and for resolution to sewer in Bayard street, from the Bowery to Orange street. All persons interested in the above, and having objections thereto, are requested to present the same in writing to the Contract Clerk, at his office, on or before August 19. NICHOLAS DEAN, President.
Croton Aqueduct Department, Aug. 9, 1852.

CROTON AQUEDUCT DEPARTMENT.—TO CONTRACTORS.—Sealed proposals will be received at the office of the Croton Aqueduct Department (Rotunda, Park,) until Monday, the 23d day of August, 1852, at 3 o'clock, P.M., to build a Sewer with the necessary receiving basins and culverts, in Water street, from Fulton to Beekman street, being in length about 2007 feet. The plan of the Sewer, and specifications for the building of the same, and all other information relating thereto, can be obtained on application to the Contract Clerk at this office. NICHOLAS DEAN,
President of the Croton Aqueduct Department.
New York, August 10, 1852.

CROTON AQUEDUCT DEPARTMENT—TO CONTRACTORS.—Sealed proposals will be received at the office of the Croton Aqueduct Department, (Rotunda, Park,) until Monday, the 16th day of August, 1852, at 3 o'clock P. M., to build a sewer with the necessary receiving basins and culverts, in Madison street, from Roosevelt to James street, being in length about 210 feet. The plan of the sewer and specifications for the building of the same, and all other information relating thereto, can be obtained on application to the Contract Clerk, at this office.

NICHOLAS DEAN, President of the Croton
New York, Aug. 6, 1852. Aqueduct Department.

DEPARTMENT OF REPAIRS AND SUPPLIES, JULY 27, 1852.—To Builders.—Sealed proposals will be received at the office of the Commissioner of Repairs and Supplies (basement No. 1, New City Hall) until Friday, August 6, at 12 o'clock, M., at which time they will be publicly opened—for altering and enlarging the house of Engine Company No. 42, in Murray street, and also for repairs and alterations to building No. 61 Ann street, for the use of Engine Company No. 5. Builders will estimate for the mason and carpenter work, for each house separately. The plans and specifications of the work required to be done, and all information in regard thereto, can be had at the office of the Superintendent of Repairs to public buildings, No. 19 Elizabeth street. Blank estimates will be furnished at either office. N. B.—The Commissioner reserves the right of rejecting all or any of the estimates, if deemed for the interest of the Corporation.

WM. ADAMS,
Commissioner of Repairs and Supplies.

CORPORATION NOTICE.—PROPOSALS FOR OIL.—Proposals will be received at the Office of the Commissioner of Streets and Lamps, corner of Chambers and Centre streets, until the 16th day of August, 1852, at 3 o'clock, P. M., after which time none will be received, for furnishing the Corporation of the City of New York with 10 000 gallons of Fall Strained Pure Sperm Oil, of the best quality, and 10 000 gallons of low-priced oil, to be returned. Samples must be sent to the office of the Superintendent of Lamps and Gas, No. 129 Mercer street, on or before the 14th day of August, 1852, at 12 o'clock, M. The estimates will be opened on the 17th day of August, in accordance with an ordinance passed by the Mayor and Commonalty of the City of New York, June, 1852. Blank estimates can be obtained by application at the office of the Commissioner of Streets and Lamps. No estimate will be entertained unless in compliance with the proposals, and the ordinance above referred to.

HENRY ARCULARIUS, Jr.,
Commissioner of Streets and Lamps.
New York, July 31, 1852.

CORPORATION NOTICE—PUBLIC NOTICE IS hereby given, to the owner or owners, occupant or occupants of all houses and lots, improved or unimproved lands, affected thereby, that the following assessments have been completed by the Assessors, and are lodged in the office of the Bureau of Assessments, for examination, by all persons interested, viz.:—For building a sewer in Lexington avenue, from Thirty-second to Thirty-sixth street. Office, Bureau of Assessments, Street Department, August 7, 1852.

CORPORATION NOTICE.—STREET DEPARTMENT, No. 4 Hall of Records.—Public notice is hereby given to the proprietors of lots lying opposite pier No. 1, North river, that the following resolution has been adopted by the Common Council:—Resolved, That the pier known as No. 1, on the Hudson river, be so extended into the river, by the proprietors thereof, as to make its extreme length from the bulkhead line of Washington street, according to the map or plan drawn by Daniel Ewen, City Surveyor, dated January 1, 1849, and adopted by the Mayor, Aldermen, and Commonalty of the city of New York, on the 24, 8th, and 11th days of January, 1849, as the future line of extension of said piers—the extension of said pier to be made under the direction of the Street Commissioner, and at the expense of the proprietor of said pier, and to be commenced before the first day of May next.

Resolved, That the Street Commissioner cause the proper legal notice to be given to the proprietor of the said pier, to build the same in conformity to the above resolution. Adopted by the Board of Aldermen, April 15, 1852; adopted by the Board of Assistant Aldermen, April 22, 1852; approved by the Mayor, May 5, 1852.

JOHN T. DODGE, Street Commissioner.
MAY 7, 1852.

ISAAC WM. SMITH,
Office, Bureau of Assessments, Street Department, August 7, 1852.

CORPORATION NOTICE.—PUBLIC NOTICE IS hereby given, that a petition has been presented in the Board of Assistant Aldermen, for a sewer in Twenty-eighth street, from the Ninth avenue to Hudson river; also in Leroy street, from Hudson street to Hudson river; also a resolution relative to constructing sewer in Madison street, from Oliver to Catherine streets; and that a petition has been presented in the Board of Aldermen for a sewer in Thames street, from Rector to Morris street; also in Fifty-first street from Eighth avenue to Hudson river; also in avenue A, from Fourteenth street to Sixteenth street; also in Thirty-eighth street, from Second to Third avenues; also in Seventh avenue, from Twenty-third to Twenty-fourth street; and for a receiving basin at the north-west corner of Thirty-first street and Lexington avenue, and for resolution to sewer in Bayard street, from the Bowery to Orange street. All persons interested in the above, and having objections thereto, are requested to present the same in writing to the Contract Clerk, at his office, on or before August 19. NICHOLAS DEAN, President.
Croton Aqueduct Department, Aug. 9, 1852.

CROTON AQUEDUCT DEPARTMENT.—TO CONTRACTORS.—Sealed proposals will be received at the office of the Croton Aqueduct Department (Rotunda, Park,) until Monday, the 23d day of August, 1852, at 3 o'clock, P.M., to build a Sewer with the necessary receiving basins and culverts, in Water street, from Fulton to Beekman street, being in length about 2007 feet. The plan of the Sewer, and specifications for the building of the same, and all other information relating thereto, can be obtained on application to the Contract Clerk at this office. NICHOLAS DEAN,
President of the Croton Aqueduct Department.
New York, August 10, 1852.

CROTON AQUEDUCT DEPARTMENT—TO CONTRACTORS.—Sealed proposals will be received at the office of the Croton Aqueduct Department, (Rotunda, Park,) until Monday, the 16th day of August, 1852, at 3 o'clock P. M., to build a sewer with the necessary receiving basins and culverts, in Madison street, from Roosevelt to James street, being in length about 210 feet. The plan of the sewer and specifications for the building of the same, and all other information relating thereto, can be obtained on application to the Contract Clerk, at this office.

NICHOLAS DEAN, President of the
New York, Aug. 6, 1852. Croton Aqueduct Department.

DEPARTMENT OF REPAIRS AND SUPPLIES, JULY 27, 1852.—To Builders.—Sealed proposals will be received at the office of the Commissioner of Repairs and Supplies (basement No. 1, New City Hall) until Friday, August 6, at 12 o'clock, M., at which time they will be publicly opened—for altering and enlarging the house of Engine Company No. 42, in Murray street, and also for repairs and alterations to building No. 61 Ann street, for the use of Engine Company No. 5. Builders will estimate for the mason and carpenter work, for each house separately. The plans and specifications of the work required to be done, and all information in regard thereto, can be had at the office of the Superintendent of Repairs to public buildings, No. 19 Elizabeth street. Blank estimates will be furnished at either office. N. B.—The Commissioner reserves the right of rejecting all or any of the estimates, if deemed for the interest of the Corporation.

WM. ADAMS,
Commissioner of Repairs and Supplies.

DEPARTMENT OF REPAIRS AND SUPPLIES—August 7, 1852.—To Builders.—Sealed proposals will be received at the office of the Commissioner of Repairs and Supplies No. 1 New City Hall, until Thursday, August 12, at 12 o'clock M., at which time they will be publicly opened, for the erection of a building in Franklin street, for the use of Hose Company No. 54 and Hook and Ladder Company No. 11; and, also for alterations and repairs to the house of Engine Company No. 44, in Houston street. Builders will estimate for the mason and carpenter work, for each building, separately. The plans and specifications of the work required to be done, and all information in regard thereto, can be had at the office of the Superintendent of Repairs to Public Buildings, No. 19 Elizabeth street. Blank estimates will be furnished at either office. N. B.—The Commissioner reserves the right of rejecting all or any of the estimates, if deemed for the interest of the Corporation.

WM. ADAMS, Commissioner of Repairs and Supplies.

DEPARTMENT OF REPAIRS AND SUPPLIES—August 11, 1852.—To Masons.—Sealed proposals will be received at the office of the Commissioner of Repairs and Supplies, No. 1, New City Hall, until Thursday, August 19, at 12 o'clock, M., at which time they will be publicly opened, for the masonwork required in enlarging and repairs to house of Engine Company No. 42, in Murray street, and also for repairs and alterations and repairs to house No. 61 Ann street, for the use of Engine Company No. 5. Estimators will estimate for the masonwork, for each house separately. The plans and specifications of the work required to be done, and all information in regard thereto, can be had at the office of the Superintendent of Repairs to Public Buildings, No. 19 Elizabeth street. Blank estimates will be furnished at either office. N. B.—The Commissioner reserves the right of rejecting all or any of the estimates, if deemed for the interest of the Corporation.

WM. ADAMS, Commissioner of Repairs and Supplies.

STREET DEPARTMENT, NO. 4 HALL OF RECORDS.—Public notice is hereby given that the following resolutions have been presented to the Board of Aldermen:—To regulate and set curb and gutter in Thirty-seventh street, between Second and Third avenues; to regulate and pave South street (in front of bulkhead) from Roosevelt to Oliver street; to flag a space four feet wide south side Twenty-ninth street between Third and Lexington avenues. All persons interested having objections thereto, are requested to present them in writing to the undersigned, at his office, on or before the 17th day of August.

JOHN T. DODGE, Street Commissioner.
August 10, 1852.

STREET DEPARTMENT, NO. 4 HALL OF RECORDS.—Public notice is hereby given that the following resolutions have been presented in the Board of Aldermen:—To excavate the well corner Broadway and Eighth street to grade deep; to pave Tenth avenue, between Forty-ninth and Fifty-ninth streets; to fence vacant lots on east side Second avenue, between First and Second avenues and Twelfth and Thirteenth streets; to pave Forty second street between Eighth and Tenth avenues; to fill and fence vacant lots on West Twenty-third street, south side, between Seventh and Eighth avenues; to erect and set curb and gutter in Lexington avenue, from Fifteenth to Fifty-ninth streets; to regulate and grade Ninth street between Third and Fifth avenues. All persons interested having objections thereto, are requested to present them in writing to the undersigned, at his office, on or before the 17th day of August.

JOHN T. DODGE, Street Commissioner.
August 10, 1852.

CORPORATION NOTICES.

DEPARTMENT OF STREETS AND LAMPS, CORNER of Chambers and Centre streets.—To the Public.—In consequence of the total disregard of ordinances made and provided against tearing up and keeping incumbered the streets of the city, and the impunity with which these ordinances are daily violated, I deem it proper to call the attention of contractors and others to the law passed in 1849 upon the subject:—

AN ORDINANCE.—The Mayor, Aldermen and Commonalty of the City of New York, in Common Council convened, do ordain as follows:

SEC. 1. All carts and other vehicles used by any person or persons to carry or transport any swill or garbage, shall have water-tight boxes or other vessels, so as to prevent the contents from leaking, spilling, or scattering on the streets, under the penalty of one dollar for each and every offence, on conviction thereof, before any magistrate of the city.

2. All payements hereafter to be laid, in any of the streets or lanes of this city, by the Superintendent of Pavements, or contractors for the construction of sewers, or for the laying of any water, gas or other pipes, shall, after the pavement is laid and driven down, have covered over them one inch in thickness of pure sand, and no more.

3. Any and all persons, other than the Superintendent of Pavements, who may hereafter pave, or cause to be paved, any street, lane, or other thoroughfare, or portion thereof, in this city, shall have the sand, dirt, and rubbish cleaned off said street, lane or thoroughfare, or any part thereof, within twelve days after such pavement shall be completed, except such pavements as shall be laid over pipes, which shall be cleared off within six days after the same shall be laid; this section shall be so construed as to apply to the removal of all sand, dirt, or rubbish, collected in any part of any and all streets lanes and thoroughfares, covered by any pavement so done or laid, or excavation that may have been made, or other work done in pursuance thereof; and no contract for paving, in pursuance of this section shall be accepted as completed, unless the Superintendent of Streets shall certify that this section has been fully complied with.

4. Any person or persons, excepting the Superintendent of Pavements, neglecting or refusing to remove the dirt, sand or rubbish, mentioned in section 3 of this ordinance, within the time specified therein, shall forfeit and pay the sum of twenty five dollars for each offence; and in addition thereto the Superintendent of Streets shall cause the same to be removed at the expense of the party so neglecting or refusing, who shall be liable to repay and refund the same, and which shall be collected and paid into the City Treasury.

5. Any contractors, or other person or persons, causing any cart to be loaded or heaped up with manure, sand, earth, mud, clay, or rubbish, so that the contents, or any part thereof, shall be scattered in any street, avenue, lane, pier, or bulkhead in this city, shall forfeit and pay the sum of five dollars for each offence.

6. It shall not be l
