On motion, a committee of one from each State was appointed to draft resolutions expressive of the sense of the meeting.

Whereupon, the following preamble and resolutions were proposed and unanimously adopted:—

Whereas, it has pleased God, in the all-wise dispensation of His providence, to remove from the scenes of human life our beloved and esteemed friend, Peter Nagle, whose frankness and generosity, amiability and gentlemanly deportment won the esteem and confidence of all his associates; as such, we mourn his loss, and honor his memory.

Resolved, That while we bow with submission to the decree that has called him away at so early an age, we will ever preserve in our hearts the recollection of the many amiable qualities that endeared him to us all.

Resolved, That while we deplore his loss as a companion and a friend, we believe, from his regular and studious habits, the profession to have lost one of its most promising candidates; and that we endeavor to profit by the christian fortitude and resignation that he displayed during his last illness—far from home and relatives.

Resolved, That we most deeply sympathise with the family of our deceased friend, and tender them our condolence in their bereavement.

Resolved, That we wear the usual badge of mourning, as a token of our respect.

Resolved, That the above be published in one or more of the city papers, and that a copy be sent to the relatives.
