PURSUANT TO PUBLIC NOTICE, A MEETING OF the employers and employes engaged in the manufacture of segars was held Saturday evening. The meeting was organized by the election of W. A. Brintzinghoffer, Chairman, and H. Haworth, Jr., Secretary. The following gentlemen were then appointed a committee to draft resolutions expressing the sense and object of the meeting:—O. Blumer, James Lyne, George N. Van Riper. After a temporary absence, they reported the following resolutions:—

Whereas, During the past few years there have been vast importations of foreign, especially Bremen or German segars into this country, to the great detriment of the American manufacturers, and by which, also, many of those dependent upon the segar trade are deprived of their means of subsistence; and, whereas, the recent excessive importations of foreign segars have not only seriously injured, but bid fair in a short time, if unchecked, to entirely supersede those of domestic manufacture, and thus effect the entire destruction of the entire segar interest in this country. Therefore,

Resolved, That we cordially approve of the object of the convention to be held at Albany on the 16th inst., and that we elect five delegates to attend said convention.

That said delegates be, and are hereby, instructed to actively co-operate in any feasible measure that will restrict the importation, especially of German segars, and to defray any expense necessarily incurred in the accomplishment of that object.

That we call upon all interested in the manufacture of segars in this and the adjoining States, to meet in their respective districts, and elect delegates to attend the above convention.

The following gentlemen were then elected delegates to attend said convention:—David Campbell, W. A. Brintzinghoffer, O. Blumer, H. Haworth, Jr., George I. Van Riper. A motion was then passed that the proceedings of the meeting be published in the Daily Advertiser and Daily Eagle, of Brooklyn. The meeting then adjourned to meet on Monday evening the 20th inst.
