The Success of Dr. Hobensack's Worm Syrup and liver pills is unprecedented in the annals of medicine. As a proof read the following startling facts:—

Mr. J. N. HOBENSACK:—I cannot but express my joy and gratitude for the wonders your worm syrup has done for my babe. It has been a poor, puny, suffering mortal almost from its birth. All the kind care and nursing of its fond, affectionate mother, with all the medicine prescribed by skillful physicians, gave me but little hope that it would not fall a prey to death, as two of our dear babes had. This boy seemed to be pining away, but when my wife obtained your worm syrup she gave it but two teaspoonsfull, when two frightfully large worms came from it; the next day five more; very soon seven more—making fourteen in all, twelve inches long from a child twenty months old; by taking but half a bottle of your syrup, I cannot recommend it too highly to my friends. Yours, &c., DAVID BOWERS, 26 Brown street, Philadelphia.

For sale by C. V. Clickener & Co., 81 Barclay street, New York, agents for the Eastern States. Dr. J. N. HOBENSACK, proprietor, Philadelphia.
