In Virginia, Alexander H. H. Stuart, of Staunton, and ex-Lieutenant Governor Leake were, on the 28th instant, about to engage in a political discussion at the Court House of Orange, about ninety miles from Richmond. CONGRESS WATER.

A CARD—TO SOUTHERNERS—DRINKERS OF CONgress Water.—An inferior article of mineral water is advertised and sold under the name of "Saratoga" water, the word "Saratoga" being used by counterfeiters of Congress water in cases where they dare not risk selling their fictitious article as "Congress" water. The success of the chest artses from Congress water having been so often called Saratoga water, that many people suppose that it is its true and only name. Taking advantage of this, the spurious article is so put up, with names, marks and bottles, so as to resemble, as near as they dare, Congress water, and mostly sold as an imitation of it to those unacquainted with the distinguishing marks and brand, peculiar flavor and qualities of the genuine Congress water. There are a multitude of springs at Saratoga, the water from any of which might be thus sold as "Saratoga" water, by persons whose scrupules of conscience extend only to cases where they are liable to pecuniary punishment, and yet the article so imposed on the public be worthless or injurious. If you want genuine Congress water buy it of respectable dealers only and in all cases observe that the brand on the cork is CONGRESS WATER—C. & W., for it without those words and letters, it is a swindling counterfeit. On writing to us, we will send you a list of prices, sizes and packages; and by ordering from us direct, enclosing draft for the amount ordered, you can have it safely forwarded to any part of the world.
