OILS.

KEROSENE OILS
NOT EXPLOSIVE.
Secured by patents.
KEROSENE ILLUMINATING OIL.
THE ECONOMY OF THIS OIL IS UNRIVALLED.
74 10 of Kerosene gives as much light as 20 of rapeseed oil, 81 of whale oil, 126 47 of sperm oil, and 129 of burning fluid.
It burns in all the argand button top lamps including camphene and silvic oil lamps, without the usual tendency to smoke.
KEROSENE LUBRICATING AND BINNACLE OIL.
The effect of this oil on machinery is found to be perfectly magical. It removes the scum caused by the use of impure oils, wears equal to the best sperm oil, and does not congeal at a low temperature. For binnacle lamps, signal and bow spirit lanterns this oil is unsurpassed. It will burn for two nights without gumming or crusting the wick—a great desideratum for shipmasters—and gives a light equal to the best sperm oil. It also burns in all the solar and hand lamps.
The attention of engineers, ship chandlers and ship captains is particularly requested to the certificates to be seen at the office of AUSTENS, agent of Kerosene Oil Company, No. 57 Beaver street.
