Miscellaneous.

The steamship Atlantic has been placed on the line between New York, Southampton and Havre, to succeed the Adriatic, and will sail from this port Nov 17.

The British steamship Kangaroo, Capt Brooks, sailed yesterday for Queenstown and Liverpool, with 32 cabin passengers and 169 in the steerage.

The Bremen steamship Bremen, Capt Wessels, sailed yesterday for Southampton and Bremen. She took out 118 passengers.

BARK ORLANDO Nickerson, at Boston from Buenos Ayres, reports that on 26th inst, Cape Cod bearing W 10 miles, saw a vessel dismasted and waterlogged (probably schr J Raymond, before reported).

BRIG W B NASH—Charleston, Sept 28—Brig W B Nash, from Cienfuegos for New York, has arrived at Quarantine in distress. (By tel.)

BRIG A BLANCHARD, Blanchard, of and from Boston for Philadelphia, in ballast, went ashore on Wednesday night on the Flats of Cape Henlopen, and remained on up to 9 o'clock of the morning of 28th. She had made no water up to that time, and Messrs Burton & Lyons, wreckmasters, were on board, trying to get her off, and probably would succeed at next high water.

LAUNCHED—At Pittston, 24th inst, from the yard of Mr Clark Benner, a splendid bark called the Wm H Wall. She is very heavily timbered, built entirely of white oak, fastened in the most thorough manner, and is in every respect an A1 vessel. She registers about 450 tons, and will carry 6000 bbls out of sight. She is owned by Messrs Benner & Deake, of this city, and others, and intended for the Gulf trade.

Notice to Mariners,

Notice is hereby given that the Nun and Can Buoys occupying stations in Boston harbor, President Roads and Broad Sound, and also in Vineyard Sound and Buzzard's Bay, will be removed for the winter, and Spar Buoys of corresponding numbers and colors will be substituted.

By order of the Lighthouse Board.

Arr at New Bedford 26th inst, brig Pavilion, Holmes' Hole, to ship for whaling.

A letter from Capt Smith, of bark Newark, of NB, reports her on the West Coast of New Holland, no date, with 100 bbls sperm oil, all well.

A letter received by Geo Hussey, Esq, from Dummaler & Co, dated Batavia, July 24, 1860, says:—"The New Bedford whaler Canton, Capt White, has been totally lost in a heavy storm. Two men of her crew have arrived at Sourabaya from Timor Pedik in the British brig Thames. The New Bedford papers doubt the correctness of the above statement. The "two men of her crew" are no doubt a part of a boat's crew who deserted the ship while at Timor in Feb last.
