THE FIREMEN.

BOARD OF ENGINEERS AND FOREMEN.—AT a special meeting of the Board of Engineers and Foremen, held at Fireman's Hall, on Saturday evening, February 9, 1861, Chief Engineer John Decker in the chair, and Wm. R. W. Chambers, secretary (the calling of the roll being dispensed with), the Chair announced the death of JOSEPH SKILLMAN, of Hook and Ladder Company, No. 15, killed while in the discharge of his duty, at the fire in Fulton street, on the morning of the 8th inst. Whereupon the following resolutions were offered by Redmond McManus, of Engine Company, No. 31:—

Whereas, the Fire Department has again been called together to mourn the loss of one of its most efficient members, who fell in the performance of his duty; and,

Whereas, an expression of sympathy for the loss of any of our brotherhood becomes us as men bound together by the common dangers which surround us in the service of our fellow-citizens; therefore, be it

Resolved, That in the death of Joseph Skillman, late member of Hook and Ladder 15, who was killed at the fire in Fulton street on the morning of the 8th inst., the Fire Department has sustained a loss which time only can eradicate from the memory of our associates, who, from personal acquaintance with the deceased, were attached to him for his heroism, and loved him for his virtues as a man.

Resolved, That the deceased, in falling in the performance of his duties, has, by his death given additional proof of the fact that the fireman carries his life in his hand, ready, when the demand is made upon him, to sacrifice it for the common good.

Resolved, That to the mother, sisters and other relations of the deceased, who alone can feel the anguish of the loss of a son, brother and devoted friend, we extend our condolence and will share with them their grief, trusting that they will be consoled by that highest and most benificent Ruler who orders all things for the best.

Resolved, That in extending our sympathy to the members of the company to which the deceased was attached, we know that to them all it will be a consolation that their companion, in his death, fully emulated the stern virtue of the Roman, whose great hope was that, when his name should be called for the last time upon the muster roll, that his comrades should respond: "Died on the field of battle."

Resolved, That in further respect for the memory of the departed, the Fire Department will, in a body, attend the funeral on Sunday, the 10th inst., from the residence of his mother, No. 112 Avenue D.

The above were adopted. After which the following were offered by Wm. R. W. Chambers, of Hose Company, No. 22, and also adopted:—

Resolved, That the officers of the Fire Department, the Exempt Firemen's Association, the Board of Trustees, and the Board of Fire Commissioners, are respectfully invited to unite with us in attending the funeral of our deceased brother, from the residence of his mother, No. 112 avenue D, on this Sunday, 10th instant, at one o'clock P. M., and that the Chief Engineer cause the different fire alarm bells to be tolled during the solemnities.

Resolved, That the line form four abreast in Sixth street, right resting on avenue D; that the Chief Engineer act as Grand Marshal, the Board of Engineers as Marshals, Hook and Ladder Co. No. 15 as a Guard of Honor, and that the Fire Department banner be placed in charge of Engine Co. No. 30.

It was then moved and adopted that a copy of these proceedings, duly authenticated, be transmitted to the family of the deceased, and that the same be published in the Sunday Mercury, Atlas and Herald.
