Notice to Mariners.

LIGHTHOUSE AT CHERRYSTONE INLET, VIRGINIA.
TREASURY DEPARTMENT, OFFICE LIGHTHOUSE BOARD, WASHINGTON, March 29, 1862.

The Lighthouse on the bar at the entrance of Cherrystone Inlet having been refitted, will be re-exhibited from and after the night of Wednesday, April 2, 1862, and will be kept burning during every night thereafter, from sunset to sunrise.

This light is situated on the W side of the entrance to the Inlet, in about 4 feet of water at low tide, and is 1½ mile S of Sandy Point. It is a screw pile structure, hexagonal in plan. The house is painted white, and the piles and lantern are painted red.

The illuminating apparatus is a Fresnel lens, 4th order, showing, at an elevation of 36½ feet above the water, a fixed light of the natural color, and illuminating 270 deg of the horizon. The light should be visible, in ordinary weather, a distance of 10 nautical miles.

By order of the Lighthouse Board.
THORNTON A JENKINS, Secretary.

HOUSE LIGHT—ENTRANCE OF THE THAMES.
TRINITY HOUSE, LONDON, March 6, 1862.

Notice is hereby given that with a view of rendering the Light at the W end of the Mouse Sand more readily distinguishable, it is the intention of this Corporation to cause the same to be altered from a Fixed White Light to a Revolving Light of a Green Color.

The alteration will be made on or about the 1st Sept next, when further particulars will be published.

By order, P. H. BERTHON, Secretary.

INTENDED FLOATING LIGHT NEAR THE SHARWEATHER SAND, IN THE BRISTOL CHANNEL.
TRINITY HOUSE, LONDON, Jan 31, 1862.

Notice is hereby given that with a view of indicating the position of the Sharweather Sand, in the Bristol Channel, it is the intention of this Corporation to cause a Lightvessel to be placed near the W end of that Sand, and a quick Revolving Red Light to be exhibited therefrom, on or about the 1st Oct next.

Further notice, relative to the exact position, &c, of the Lightvessel, will be duly published.

By order, P. H. BERTHON, Secretary.
