OBITUARY.

We record with deep regret the loss of an old and respectable citizen of Brooklyn, Mr. PETER O'HARA, a native of the county Sligo, Ireland, who died at his residence, No. 18 Schermerhorn street, on Saturday morning, January 10, aged 68 years, after a long and painful illness, which he bore with Christian fortitude. He had been for many years a resident of that city, and had seen it grow from its infancy to its present flourishing condition. In all public undertakings he was always known to take an active part. Honest and honorable in every transaction, he passed through this life beloved by all who knew him. He was a devoted and faithful husband, a kind and loving father, and a firm and sincere friend. His remains were taken to St. Paul's church, Court street, where a solemn mass of requiem was offered up for the repose of his soul by Rev. Father Farrel, assisted by Rev. Fathers Roddy and Dorris. The most Rev. Bishop Loughlin delivered the funeral discourse, in which he spoke in the highest terms of the Christian and exemplary conduct which characterized the deceased. The remains were then conveyed to the Cemetery of the Holy Cross. Requiescat in pace.

Sligo (Ireland) and California papers please copy.

FINANCIAL AND COMMERCIAL.

SATURDAY, Jan. 24—6 P. M.

There is no change in the money market. Call loans are quoted at 6 per cent.

Gold rose to-day to 150, closing at 149⅞ bid. Exchange advanced to 164⅞ a 165, without many transactions.

The stock market was active to-day, and, as was expected last evening, though there was some irregularity in prices, stocks were, on the whole, better. At the first board Central rose ⅛, Pacific Mail 2, Harlem ⅛, Michigan Central ⅛, Illinois 1, Southern old 2, guaranteed 2¼, Rock Island 1. The Eries were lower, many parties who were buyers on the traffic of the road having been induced to sell by the policy pursued by the directors. Bonds were active and stronger, the newer and cheaper classes being in active request. Governments were steady. At the one P. M. call of the public board the market was firm, as a general rule, though the Western shares were hardly as strong as at the upper board. The New York shares were in good demand. At the second board prices were maintained and the market closed firm, the following being the last quotations:—
