FINANCIAL AND COMMERCIAL.

WEDNESDAY, April 15—6 P. M.

Gold fell again to-day, rather to the surprise of most operators, who had calculated that the news would put up the premium. It opened at 153¾, fell to 151¾, rallied to 154, sold in the afternoon at 153, 153¾, 154, 154¼ and 153¾, and closed at five P. M. at 153½ bid. Exchange was almost unsaleable at rates considerably lower than the price of gold warranted. There is little or no demand for bills from the trade, and the large shipments of California gold to England keep our bankers over supplied with bills. At the present relative prices of gold and exchange it would pay to import gold from England.

Money continues very abundant. There is no change in rates. Call loans, 5 a 6; mercantile paper, best names, 5 a 6; debt certificates, 98¼ a ⅝; the old issue are wanted at 100⅝. There is no decrease in the disbursements of the Sub-Treasury, and under these circumstances money must continue to rule easy. The condition of the market is illustrated by the enormous deposits at the Sub-Treasury at 5 per cent, in spite of the adverse military news.

The stock market, as usual with a falling gold market, was irregular and unsettled this morning. Harlem declined 1¼, Pittsburg ¾, Southern old ⅜, and the Western shares were sluggish at the lowest prices of yesterday. Erie sold before the board at 79¾, but relapsed to 79 at the board. Guaranteed was very firm at yesterday's advance. Pacific Mail fell off ¾ per cent. Cumberland rose ⅜. Governments were very inactive, with a downward tendency. Every fall in gold and exchange hurts governments, by stopping the foreign inquiry. Bonds were steady, without animation. In the afternoon the market was sluggish, and there were very few orders to execute. Guaranteed rose 1¾ per cent. Erie and Harlem were lower. Governments were very dull indeed. As usual in such markets, the bears were eager to put out their options, and lower quotations were made in several instances in consequence. At the four P. M. call of the public board the market was inactive, without change in quotations. The following were the closing quotations of the day:—
