"SPECIALITE." M. T. HIGGINS' MAMMOTH MILLINERY ESTABLISHMENT, 126 SIXTH AVENUE, two doors from Tenth street, the only complete and thoroughly exclusive one in the United States, where every article appertaining to the trade, from a cape Lace to the finest Monture, can be had in endless variety and at most reasonable rates BY WHOLESALE OR RETAIL. Many ladies, both of the city and country, who have read our advertisements, wherein we have set forth particular inducements in the way of prices, assortment, &c., have come, bought and still continue to buy at the MAMMOTH MILLINERY ESTABLISHMENT. But there are still a large number, including many country milliners, who have read these notices and not heeded, thinking that ours is but an advertisement, and like the generality of such that fill the sheets of the daily and weekly papers, contains no real merit in it. One visit to our extensive establishment will convince the most prejudicial that we at least are genuine; that we have the goods we advertise, and that we sell them at the prices advertised. For milliners who do a first class business, requiring rich, desirable goods, cannot find a store more suited to their purpose than ours, and this is more particularly the case as the season advances, when the down town jobbers are cleared out of everything desirable and cannot replace them. We guarantee to sell milliners cheaper by ten per cent than any down town jobbing house, we care not who they are or on what street they are located, whether they do a large or small business, a cash or time one.

The principal portion of these were bought at Topping's auction sale of Thursday last, and include many desirable styles of Black and Brown Bloomers for ladies, misses and children, at from 50 cents each up. Also, per last steamer, a case of DRAB ENGLISH DUNSTABLE SPANISH HATS, which we will offer to our Retail Trade at ONE DOLLAR each. These are a very fine article, and positively worth double the money. Country milliners, who intend making an examination of our stock, would do well to come early in the morning, before the rush of our retail business commences, as we can then best attend to them. They will please state on entering that they are wholesale buyers, that they may be dealt with accordingly. Store opens and ready for business by seven A. M. for the information of out of town wholesale and retail buyers, and for those who are little acquainted with the city, we would inform them that the cars from the Astor House and Canal street, and the stages from South and Fulton ferries pass the door; tell the conductor or stage driver to let you out at Tenth street. Ladies from Hoboken will find it shorter to take the Christopher street ferry. Bring this advertisement with you. M. T.
