CITY OF NEW YORK, DEPARTMENT OF FINANCE, CONPTROLLER'S OFFICE, June 30, 1863.

TO THE HONORABLE THE BOARD OF SUPERVISORS:—

GENTLEMEN:—

In answer to the annexed resolution, calling for information relative to the amounts of money deposited in the County Treasury, by the various District Attorneys, as assets of forfeited recognizances, during the last ten years, and also the amount paid during each year for expenditures incurred by said District Attorneys, I would present the following

REPORT.

That no moneys appear to have been accounted for as the proceeds of forfeited recognizances, and deposited in the County Treasury during the period designated, except the sum of $3,639 95 paid therein by Mr. Peter B. Sweeny, who held the office of District Attorney from the 1st day of January, 1858, until November 1, 1858 (whose receipts alone are in excess of expenditure), and the sum of $3,750 deposited by Mr. A. Oakey Hall during the year 1862.

It seems, however, from the original cash and receipt book (on file in this department) of Mr. Hall, who was District Attorney from January 1, 1856, to December 31, 1857, that he collected and retained from all sources during that term the sum of $4,271, and disbursed and charged against the expenses of his office the sum of $4,478 75, the various items thereof being set forth in his said account, and for the particular details of which I would beg leave thereto to refer.

It is proper, also, to state that I am informed that no moneys were collected by the late Lorenzo B. Shepherd, who acted as District Attorney during the vacancy caused by the death of N. Bowditch Blunt, Esq., until the accession of Mr. Hall, on January 1, 1855.

No moneys were deposited in the treasury, either by Mr. N. B. Blunt or Mr. Nelson J. Waterbury during their respective terms of office, while the aggregate of payment by the county for the District Attorney's office was increased from the sum of $7,757 74, the cost thereof during the years 1853 and 1854, to the enormous amount of $21,639 39, the expense of such office during the years 1859, 1860 and 1861, the period of the incumbency of Mr. Waterbury.

For the further information called for in such resolution, I would request the attention of your honorable body to the statement hereto attached, showing the receipts and payments during the terms of the various parties who have exercised the duties of such office during the period designated.

Respectfully submitted. MATTHEW T. BRENNAN, Comptroller.

MESSAGE FROM HIS HONOR THE MAYOR.

The following message was received from his Honor the Mayor, returning unapproved resolution directing the Comptroller "to issue his warrant in favor of George H. Purser, Esq., for the sum of $500, being in full for professional services rendered at the last session of the Legislature, &c.

MAYOR'S OFFICE, NEW YORK, June 26, 1863.

TO THE HONORABLE THE BOARD OF SUPERVISORS:—

GENTLEMEN:—I return, without my approval, your resolution directing the Comptroller "to draw his warrant in favor of George H. Purser, Esq., for the sum of five hundred dollars, being in full for professional services rendered at the last session of the Legislature, drafting an act and preparing statistics, &c., in relation to the assessment and taxation of personal estate in the county of New York."

I cannot approve of this, because I learn from one of the Committee on Annual Taxes of your Board that the sum of two hundred and fifty dollars was agreed upon between him and the gentleman named in the resolution, as the compensation to be paid for the thorough performance of the services in the resolution specified; that this specific bargain was made by this member of the Committee on Annual Taxes, by authority of that committee, to whom it was referred, and by them approved; and that the sum of two hundred and fifty dollars was agreed to on the representation of the gentleman himself, who was to render the service.

Under such circumstances, there is no legal claim against the county for a larger sum than that fixed by the agreement, the allowance of the amount named in your resolution, being double that agreed upon, is a violation of the seventh section of the "Act relating to the Board of Supervisors of the City of New York," passed April 14, 1857, which provides that "no allowance or payment, beyond legal claims, shall ever be allowed by the Board."

GEORGE OPDYKE, Mayor.
