C. GODFREY GUNTHER'S CARD.—NEW YORK, November 24, 1863.—Being credibly informed that posters, handbills and advertisements are already prepared for circulation on the eve of the approaching Mayoralty election, and too late for denial, I deem it my duty to caution the public against giving credence to any such political tricks. Conscious of having at all times condemned and openly denounced the rotten and corrupt clique that has controlled and disgraced the party with which I am identified, I expect no favor at their hands, and about the same amount of fair dealing they evinced when they pretended to support me two years ago. Having done nothing to forfeit the respect and good opinion of my fellow citizens since the last Mayoralty canvass, I can confidently assure my old supporters that, from the indications hourly received of increased support, I shall be enabled at sunset on the 1st of December to congratulate them on their victory.
C. GODFREY GUNTHER.

TO THE CITIZENS OF THE 18TH AND 21ST WARDS.—At the election to be held on the 1st day of December, 1863, a Police Justice for this district is to be elected. We, the undersigned, take great pleasure in recommending Captain Francis C. Speight as a suitable person to fill this important position. His great experience in Captain in the department, good judgment and his fearless manner in which he has always discharged his duties, pre-eminently qualify him to perform the duties of the office for the best interest of the community. He has been early regarded as one of the most active and efficient officers in the department since his first appointment by Mayor Havemeyer, more than eighteen years since. Should he be elected, his position as Police Magistrate, we feel assured that the speedy and certain punishment of their offenses will be one of the first results of their conviction.
The faithful manner in which he has discharged the duties of a Police Captain for so long a time is a guarantee that he will likewise discharge the duties of a Police Magistrate.
