THE SIXTY-THIRD TO REPORT FOR FIELD SERVICE.

Under special orders from General Hays, the re enlisted men of the Sixty-third New York Volunteers will report to Captain Thomas Tweoby this morning at the Park Barracks for immediate service in the field.

RECEPTION OF THE CHICAGO ZOUAVES.

The Chicago Zouaves, who acted as the escort of the rebel prisoners from Camp Douglas to this city, are to have a very fine reception at the hands of our civil, military and naval, and there is [illegible] reason, that before they leave New York they will [illegible] every sign of the glorious time of it.

At the special invitation of the United States authorities, the Zouaves yesterday visited the Navy Yard at Brooklyn, where they were very cordially received. They inspected all the various departments of this naval depot, the museum, and other objects of attraction, and afterwards went on board the North Carolina, where for the time they were the guests of the commander of that vessel.

To-day the Zouaves will dine at the St. Nicholas Hotel, having received an invitation to that effect from the proprietors of that establishment, and at noon to morrow they will partake of a collation at the armory of the Seventy first regiment New York State Militia. After the collation the Zouaves, under Major E. L. Brand, will march down Broadway to the City Hall, where they will be reviewed by the Mayor and Common Council.

It was the intention of Major Brand to have given an exhibition drill of his command, but, in consequence of the Academy of Music being engaged for operatic and other purposes for several nights to come, the drill will have to be postponed.

Major Brand and the members of the Chicago Zouaves desire to return their sincere thanks to the members of Companies A, B and C of the Seventy first regiment of the New York State National Guard, for their courtesies and kind attention to both officers and men during their stay in New York, and to state publicly that had it not been for their aid there would have been some difficulty in transferring the prisoners to the charge of the United States authorities at the Navy Yard.

Board of Supervisors.

PREPARING TO FILL THE QUOTA OF THE CITY, ETC.

The Board of Supervisors met yesterday, Supervisor Shook in the chair.

The Mayor sent in a communication nominating for Marshals the following persons:—Chas. F. Watts for the First district, and Michael Doody for the Third district, in place of those previously nominated, who neglected to give bonds and quality, and V. S. Mills in the Fourth district, in place of James McIver, resigned. The subject was referred.

Another communication from the Mayor, nominating Solomon Banter to fill the vacancy in the new City Hall Commission was also received and referred.

After a good deal of routine business was disposed of, Supervisor Ely moved the following resolution:—

Resolved, That the Committee on Volunteering be, and they are hereby, requested to report as soon as possible to this Board the number of men which this county is deficient under the draft ordered by the President for the 10th of March.

This resolution was unanimously adopted.

Supervisor Ely then said that he had intended to ask the chairman of the committee; but as he was not present he hoped some gentleman would inform the Board on the subject.

Supervisor Stewart replied that if he knew the number called for by the last proclamation exactly he could give the information; but as this was doubtful all he could say was that he supposed there had been about 8,000 or 10,000 recruits furnished by the city since the last call for 300,000 men.

The Board then adjourned till Tuesday next, at three P. M.
