FINANCIAL AND COMMERCIAL.

THURSDAY, March 24—6 P. M.

The stock market was feverish to day, caused, no doubt, by the uncertainty in regard to the effect which the new loan was likely to produce. Prices, however, were very well sustained in the morning; but before the close of the board some of the shares exhibited signs of weakness. As compared with the sales at the first session of the Stock Exchange yesterday, New York Central advanced ¼, Erie Railroad ¼, Erie preferred ¼, Harlem 5, Reading ¼, Michigan Central 1, Illinois Central ¼, Cleveland and Pittsburg 3¼, Cleveland and Toledo ¾, Chicago and Rock Island 1¾, Milwaukee and Prairie du Chien ¼, Alton and Terre Haute 1, Chicago and Alton 4¼, Cumberland Coal ¾, Canton Company 3, and Quicksilver Mining 1. Michigan Southern declined 1, Galena and Chicago 1, Pittsburg and Fort Wayne ¼, Chicago and Northwestern 1, and Pacific Mail 2.

The market in the afternoon became more steady; but prices fell off a fraction. The closing quotations were as follows:—Erie Railroad 125¾, Erie preferred 109¼, Harlem 134¾, Michigan Southern 116¾, Illinois Central 138¾, Cleveland and Pittsburg 127¾, Galena and Chicago 124¾, Chicago and Rock Island 128¼, Michigan Central 143, Chicago and Northwestern 67, Reading 142, and Cumberland Coal 80¼.

To-morrow being Good Friday, the Board of Brokers adjourned over to Saturday, and there will probably be very little business transacted in the vicinity of Wall street.

Gold opened in the morning at 156¾, but sold gradually down until it reached 165¾, from which it rose again and closed at 167¾. The market was dull and transactions limited. One sale only of fifteen thousand dollars was made at the first meeting of the Brokers' Board.

The Assistant Treasurer of this city gives notice that the new five per cent two hundred million government loan is now offered to the public at par, and subscription books are open at the various Sub-Treasuries and at the offices of such national banks as have been officially made depositaries of the public funds. Both the registered and coupon bonds are issued of the denominations of $50, $100, $500 and $1,000. For larger amounts registered bonds only are issued, and may be had for $5,000 and $10,000. The bonds are dated March 1, and the accumulated interest can be paid in currency, allowing 50 per cent extra for the premium on gold. The interest for $50 and $100 will be paid annually, and semi-annually on those of larger denominations. The first deliveries of the coupon bonds will be made about the 4th of April.

The Assistant Treasurer reports the transactions at his office as follows:—

Receipts from customs

A bill has been introduced into the Legislature of this State which provides that no insurance company incorporated by or existing under the laws of the State of New York shall make any permanent deposit of any portion of its funds or securities with any officer or person in any other State for any purpose whatever, and that no insurance company organized under the laws of any other State shall be permitted to establish an agency in this State, if it has deposits in any other State than the one in which it was organized. The bill also declares that whenever the laws of any other State shall require of insurance companies incorporated by or organized under the laws of New York any payment for taxes or license fees greater than the amount required for such purposes of the companies of other States by the existing laws of this State, then such companies, with agencies in this State, shall pay to the Superintendent of the Insurance Department of New York, for taxes and license fees, an amount equal to that imposed by such State upon the companies of this State.

THE MILITARY.

ATTENTION, VOLUNTEERS.—THOSE WHO ARE about to enlist would do well to call at the United States Claim and Law office, 252 Broadway, corner of Warren street, where they will receive information relating to volunteering which will be greatly to their interest and profit, and which the veteran, as well as the inexperienced, will not fail to justly appreciate. United States Claim and Law Office, 252 Broadway.

AT THE VOLUNTEERS' AGENCY.—THOSE WHO are about to enlist and want the largest amount of cash in hand that they can get at the time they are accepted, or the largest bounty, or the right to serve in any regiment they desire, or have any preference for either division or locality of the army, or want to know what regiments are stationed in the best positions, or of those that offer the best chances for promotion, or any other information for their interests or protection, can have it by calling in the office. No charges are made to the recruit, as we are compensated by government. D. T. WASHBURN,

DO NOT BE CHEATED—WHILE YOU CAN COME to our law office and learn of all the lawful bounties and how they are paid. We see false bounties advertised and fabulous amounts of cash offered. The design of the parties that so advertise is to take such as they can deceive to other States, where no money is paid until the soldier is mustered in at camp, and then he does not get any such amount as you see stated. We know of all the bounties and how they are paid, and you can get $375 cash in hand the moment you are accepted, and $75 more when you are mustered in at camp, before you go to your regiment; and the whole bounty is $375, and that is more than you can get and better than you can do by going to Connecticut, Massachusetts or New Jersey, notwithstanding all the advertisements you see to the contrary. Our encampment is as good as any in the Union, and our regiments as noble as any that ever bore the Stars and Stripes to battle. Come and let us explain all matters about volunteering to your advantage; it is free and for your protection, will you accept it or allow yourself to be cheated? Call in PHINNEY & CO.'S law office, 266 Broadway, up stairs, two doors below Chambers street.
