INTERESTING TO BOILER MAKERS.—The boiler makers in the employ of the Providence Steam Engine Company, in consequence of the great advance in the price of all the necessaries of life, have asked for an increase of their wages of twenty five cents per day. Their employers do not seem inclined to accede to the demand, and much ill feeling has been produced in consequence thereof. The advance asked for is but a small one, and not at all commensurate with the advance which has taken place in the prices of food and clothing. The men have appealed to their fellow workmen in this city to sustain them in the stand they have taken, and to aid them in obtaining the additional twenty-five cents per day.

THE HOUSE OF THE GOOD SHEPHERD.—The Rev. Dr. Cahill is announced to deliver a lecture at the Academy of Music to-morrow evening, for the benefit of the House of the Good Shepherd. His subject will be "The Office of the Good Shepherd."

"WHAT A FARA WAS THERE."—The stage fares will fall to the old figure of six cents to-day. The experiment of raising the charge to ten cents has proved an utter failure, and the stage proprietors are but too glad to return to the old prices. They have been taught a lesson which it is to be hoped will stand as an example to future monopolists who may desire to attempt the same game upon the public.

FUNERAL OF A VETERAN OF THE WAR OF 1812.—The remains of Daniel McPherson, one of the veterans of the war of 1812, were yesterday interred in Cypress Hills Cemetery. The funeral took place from his late residence, No. 47 York street, Brooklyn, and was attended by the small and rapidly decreasing number of veterans who fought in the last war with Great Britain.

Trouble in Jersey.

TO THE EDITOR OF THE HERALD.

HUDSON CITY, N. J., April 25, 1864.

Will you publish the enclosed item in your paper, and help the residents of Hudson City, West Hoboken, &c., to fight a huge monopoly?

CLIFFORD SICKELMORE,
Secretary of Citizens' Meeting.

HUDSON CITY, JERSEY CITY, AND HOBOKEN HORSE RAILROADS.

Pursuant to call, a meeting of the residents of Hudson City and vicinity was held on Saturday evening, at the house of Mr. Barret Day, Newark avenue, to protest against the recent increase of fare on the horse railroads connecting with the various ferries, but more especially in reference to the Hoboken and Hudson City line. The meeting having organized by the election of Mr. John Pierson as chairman, the object of the call was discussed, and a determination evinced to withstand the demands of the companies, a number of gentlemen pledging themselves to discontinue the use of the cars in future. A committee having waited upon the superintendent of the Jersey City road (Mr. Merseles) and requested him to favor the meeting with his attendance, that gentleman appeared and gave a statement of the general management of the road. At the conclusion of his remarks a resolution was adopted, "That Mr. Merseles be requested to urge upon the Board of Directors of the Jersey City road a reduction of the fare to six cents (by tickets) for Hudson City passengers." Mr. Merseles consented to receive the resolution and use his influence with the Board to secure its adoption. A vote of thanks was tendered to Mr. Merseles and the discussion on the Jersey City line terminated.

With regard to the Hoboken and Hudson City line, there was no disposition to effect any compromise, and, on motion, it was unanimously resolved, "That it is the sense of this meeting that the increase of fare on the Hoboken and Hudson City Railroad is uncalled for and unjust, and that the citizens generally be requested not to patronize that road." A "Walking Committee" was then formed, and the meeting adjourned, subject to call of the chairman.
