CHUBB'S TINSEL GLOSS STOVE POLISH.—THIS new article is now being introduced with great success. It is prepared from the best quality of East India black lead, separated by a new patent process from all impurities, and ground so fine that when re-dissolved in water it produces a silvery black varnish, and when applied to the stove it produces a smooth, glossy surface, that shines like black tinsel, and reflects like a looking glass. It is easier applied, takes less of it, stands more heat, produces no smell, and lasts longer than any other polish. It is put up in splendid gilt and tricolored fancy wrappers, in one dozen, half gross and two gross cases. It is the cheapest stove polish in the market. Agents wanted in every town in the United States. Send one dollar, and receive in return full value, a box of samples by express, and an appointment as agent for the sale of the article if so desired.
