The proprietor assures the patrons of trotting that this will prove beyond a question of a doubt the finest match of the season. Lady Emma has always borne the reputation of being the fastest horse of the age to wagon, and she has recently vindicated her claim to that position by beating the famous stallion George Wilkes, who, after a closely contested race last spring, vanquished Lady Thorn, the present competitor of Lady Emma, in time which to-day stands unrivalled; while Lady Thorn, although beaten, hugged the stallion from the beginning of each heat until the close, thus fully establishing her claim to be ranked among the foremost wagon horses of the country.
Cars will leave the South ferry at 10:15 A. M. and 1 P. M., and the city horse cars, from the Fulton and Williamsburg ferries, every five minutes during the day for the course direct. WILLIAM SHAW, Proprietor.
