SPECIAL NOTICES.

AL.—THE REASON WHY It is now 70 years since BARRY'S TRICOPHEROUS was first introduced, and the sales of it to-day are larger than before. Why is this? Because it is actually a good article; whoever uses it once will always use it again. Because it is the only article that will positively force a new growth of hair. Because it is the most fragrant and delightful of all hairdressings. Besides it costs only half the price of the others.
