CANCERS CURED.
A wonderful medicine discovered which grows in abundance upon our own soil. This valuable plant has been thoroughly tested, and we will venture to assert will cure in recent cases of well-seated Cancers, Chronic Diseases and Cutaneous Affections than Cundurango or any other remedy that is known can effect. One physician positively asserts that he has with this plant alone cured nine cases of cancers, where Cundurango and all other remedies had failed and that other physicians had announced as incurable. We can produce many other testimonials that we know. That there may be no mistake in selecting and preparing this medicine we will send specimens of the same, with full directions, if desirable. Address, with stamped envelopes, FULLEN & CO., box 327 Augusta, Me. Cut this out and keep it.
