BUREAU OF ELECTIONS, 300 MULBERRY STREET, NEW YORK, Oct. 9, 1872.
This Bureau has been informed that on the first day of registration there were registered many electors who were either not sworn or not examined.
This was in consequence of a misunderstanding by some inspectors of the imperative provisions of section 21 of the law.
To prevent probable question and possible confusion, this Bureau advises that all electors who were registered without having been both sworn and examined, should again present themselves for registration and be sworn.
By order of the Board of Police.
