Buyers who expect to participate and have deferred the purchase of tickets until this date are therefore respectfully notified that they must secure tickets at once, if they would make sure of obtaining them. Official lists of the drawing will be published in the Louisville and New York papers, and will also be supplied to all patrons as soon as possible after the Concert. Like the two previous Concerts, which were given with so much satisfaction, this one is also under authority of a special act of the Legislature, and the business of the Concert has been placed by the Library Trustees under the direction of Hon. Thomas E. Bramlette, late Governor of Kentucky, who has opened a General Agency for the sale of tickets at
