THE RING SUITS.

ANOTHER NOTICE OF EXECUTION AGAINST CERTAIN PROPERTY OF WILLIAM M. TWEED FILED YESTERDAY BY THE ATTORNEY GENERAL.

Attorney General Pratt, as attorney for the people of the State in the civil suit against William M. Tweed for the recovery of $6,000,000 yesterday filed in the County Clerk's Office an additional notice of pendency of action, in which mention is made of the following property to be attached, in addition to the property already described in the Attorney General's first notice, published in the HERALD on Friday last:—

All that certain lot of land and premises, with the several buildings thereon erected, on Thirty-ninth street and Fifth avenue, known as No. 449 Fifth avenue.

Also the land and premises known as No. 17 East Forty-fourth street.

Also lot and premises known as No. 10 East Thirty-eighth street.

Also the land and premises thereon in Forty-second street, formerly belonging to Thomas Murphy.

No other documents relating to the Ring suits were filed in the County Clerk's office yesterday, and the Sheriff stated that he had received none. The last notice of the Attorney General, it may be said, is in the usual stereotyped form, the phraseology being the same as that used in the first notice.

MUNICIPAL NOTES.

The Mayor was called upon yesterday by a large number of Assemblymen, who had each his little favor to ask. It was rumored during the day that Governor Tilden would visit the Mayor, but up to the time the latter left the City Hall the Governor had not put in an appearance.

The Green Charter bill, in the opinion of most of the politicians, is already a dead cock in the pit. The city members of the Legislature seem to be quite crestfallen over the way they were fooled by the republicans in the matter of the Miller bill, and when spoken to about it by the Aldermen refused to consider it a fit subject for joking.

The hearing of Superintendent Adams before the Mayor concerning his conduct as Superintendent in not taking better precautions than he did to prevent the St. Andrew's church disaster will take place during the present week.

The applications for the vacancies to occur on the 1st of May in the departments of police, docks, parks, &c., have already begun to pour in upon the Mayor by the dozen. General Duryea is anxious to retain his place in the Police Board, and is working hard to be made sure that he will be retained. It is said that Mr. Stewart will be retained in the Park Department.

The Aldermanic committee, which has been engaged investigating the conduct of Comptroller Green for some time past, will resume its sessions next Tuesday.
