SPECIAL NOTICES.

A PALACE FOR THE PEOPLE.
HOME OF SCIENCE AND ART.
PERMANENT BAZAAR OF INDUSTRY.

The immense structure about to be erected by the Industrial Exhibition Company will claim the attention of every good citizen who has an interest in the educational welfare of the rising generation, or in the mechanical, literary and artistic progress of the nation.

The Industrial Exhibition Company is chartered by the State of New York, with ample privileges.

It has purchased a large tract of land in the heart of what will be the finest part of New York city. On this it will now proceed to erect a magnificent

PALACE OF INDUSTRY,

which will be 3,200 feet long and 200 feet wide. This stupendous building will cover 22 acres of ground, with an inner court whose area will be 11 acres. It will be devoted to the permanent exhibition of manufactures and works of art. It will, in addition to this, be a bazaar for the exchange and sale of all that is beautiful and useful. This

PALACE OF INDUSTRY

will be an attractive resort for the citizens of New York and the surroundings as well as for the great hosts of strangers who constantly throng the city. As an exhibition it will present unparalleled attractions; as a means of practical education it will take precedence of anything in America. As a centre of all that is novel and useful in manufactures, as well as of all that is beautiful and valuable in art it will surpass any of the world's great exhibitions. As a bazaar for the sale as well as the display of all that is exhibited in it it will be a busy mart of industry, where the inventor, the producer and the consumer will constantly be brought together with the most liberal facilities for promoting their business interests.

The business which will cluster around such a rendezvous of art and industry as this will be vast beyond the power of figures to estimate. The receipts will be enormous.

The people of the United States are now offered an opportunity for participation in the interests and profits of this enterprise. The Twenty Dollar Premium Mortgage Bonds of the Industrial Exhibition are within the reach of persons of the most limited means. Being amply secured and carrying with them an interest in the allotment, which gives each bond an additional possible value of considerable magnitude, they are offered as the most reasonable investment of the day.

For full particulars, in pamphlet form, call at the office of the company or send by mail. Office of the INDUSTRIAL EXHIBITION COMPANY, 12 East Seventeenth street, New York city.

ARCH. JOHNSTON, AUCTIONEER,
19, 21, 23 and 25 Thirteenth street, near University place.
AT AUCTION TO-MORROW (FRIDAY), for account of an estate, at 10 o'clock.
The following desirable Horses, viz.:—
First—Bay Gelding, Trustee stock, 15¾ hands; bay, with black points; kind and gentle in double and single harness; 8 years old; used by the late owner; a free and rapid roadster, with proper handling will develop speed.
Second—Bay Mare, same stock; age, size and disposition as above; has been driven as a mate, and, having had more handling, shows unusual speed in a green horse, and has very unusual bottom and wind.
The above horses have never been out of the possession of their late owner, are without fault or blemish and are unusually handsome animals. They are prompt and rapid travelers. As a team they are peculiarly adapted to a doctor or to any persons requiring a pair of rapid and enduring horses.
Third—Roan Mare, Second Hambletonian, 15 hands high; very handsome; strong built; has never been out of the hands of the present owner, who raised her; has been driven in a lady's phaeton; 7 years old; quick driver; would make a beautiful and reliable saddle "colt" for lady or gentleman, and for excellent points cannot be surpassed; is without fault or blemish, and if at first apparently green, it is because never before in the city; she is a "filly," difficult to match in all respects.
Fourth—Bay Gelding, bred at Pittsfield, Mass., 12 years old; has been in possession of the late owner since a colt of 3 years; 15¾ hands; bay, with all black points; no fault or blemish; kind in double and single harness; of great endurance; full of style and go; now for the first time in this city.
Fifth—Kentucky bred Gelding, 10 years old, 15¾ hands; brown, with black points; trained as a saddle horse to every gait, but, owing to defect in sight, broken to harness; he is perfectly gaited and an unusually stylish driver.
Sixth—Desirable stylish Paris built panelled Coach, in good order and only requiring the paint to be retouched to place in perfect order; is very easy riding.
All of the above are offered without reserve, and will be knocked down to the highest bidder. They are an unusually attractive lot.
Can be seen at Wilson's stables, in Tenth street, near University place, up to to-morrow morning at 8½ o'clock. Attention of all interested in horses is invited.

All the above will be sold at
ARCH. JOHNSTON'S Mart,
19 to 25 Thirteenth street, near University place.

THE ESTATE
is one belonging to one of the oldest families of Knickerbockers, and the public can rely upon everything being exactly as represented.

MR. JOHNSTON IS ALSO AUTHORIZED AND REquested to insert the following advertisement, viz.:—
ATTENTION.
FOUR YEAR-OLD HAPPY MEDIUM, STALLION, of perfect form and great promise; thoroughly broken; mild disposition; bay, with black points; 15½ hands, full; now in the hands of Mr. Carl Burr, on Long Island; will be negotiated for through our house (ARCH. JOHNSTON'S) for two weeks at private sale.
This horse is believed to be without equal as regards gait, disposition and form, and, for the very limited handling he has received, shows wonderful promise of speed. The late owner and breeder, opposed to the prevalent mode of pressing colts, allowed him to run till past three years old, and his speed and method with a few months' driving by a gentleman, not a professional, demonstrates the possession of great speed, and those who know of such matters believe that this stallion will rank among the first in the country. He has been in the hands of Mr. Burr too short a time to give any time record. He has never hitherto been three miles from the place where he was foaled.
Price $3,000.
