A.—DARE TO BE A DANIEL,
Dare to stand alone;
Dare to have a purpose,
Dare to make it known.
Mrs. M. G. BROWN, President of the Metaphysical University, 51 Bond st., New York, positively declares and asserts that she has made the greatest discovery ever heralded to a suffering, dying world. It is found in the Metaphysical Discovery. Words are inadequate to make known this heaven-born discovery; suffice it to say that all disease can exist where it comes. It is both a preventive and cure from the cradle to the grave. It reaches hereditary disease, also disease in every shape, grade and color. Away with the false doctrine of "specialties" in the treatment of disease. God has ordained an eternal law to protect the human body (which is of the earth) from all and every disease, and Mrs. M. G. Brown proclaims to the world that she has discovered that law.

Mrs. M. G. Brown will deliver free lectures on her great Metaphysical Discovery at Lincoln Hall, northwest corner 14th st. and 5th av., on Thursday afternoon, June 1, at 3 o'clock. Entrance, 53d st.

The Metaphysical Pamphlet, of 80 pages, will be sent to any address on receipt of 25c.
