GOVERNMENT BONDS.

Government bonds were steady and quiet. The Syndicate, which on the 9th inst. subscribed for $25,000,000 of the United States 4 per cent bonds, have issued their prospectus offering the bonds to the public for thirty days, the last of which is July 16, at par and accrued interest from July 1, the date of the bonds. Buyers can pay for the bonds either at the time of subscription or any time prior to October 16 next. Forms of application can be had at the Treasury offices, at the national banks and the more prominent private bankers all through the country. The following were the closing quotations:—

COTTON ON THE SPOT STEADY; FUTURES CLOSED BARELY STEADY—FLOUR DULL—WHEAT DULL AND NOMINAL—CORN DULL AND LOWER TO SELL—OATS FIRM—WHISKEY EASIER—PORK FIRMER—LARD QUIET—PETROLEUM QUIET—SPIRITS TURPENTINE FIRM—ROSIN FIRM—OILS STEADY—COFFEE FIRMER—SUGAR ABOUT STEADY—FREIGHTS QUIET.

FRIDAY, June 15—6 P. M.

The trade movement has been rather slow during the past week, although in some few commodities somewhat accelerated as compared with last week. On the whole, however, there has been no improvement, while in most articles quite the contrary is true, business having, in the aggregate, been very moderate. The leading articles of export, such as cotton, flour, grain, provisions, petroleum, &c., have been in moderate request all through the week, and the general tendency has been toward a lower basis, although few radical changes have occurred. On 'Change to-day (Friday) very little was done. Flour was dull but unchanged. Wheat was dull and entirely nominal; offered pretty freely at previous prices. Corn dull and lower to sell. Oats firm. Whiskey was easier. Pork was quiet but firmer. Lard was quiet. Freights were quiet. Cotton on the spot was steady; futures closed barely steady. Coffee was firmer. Sugar was in better demand and about steady. Oils were steady. Petroleum quiet, and naval stores firm.

ASHES were jobbing, at 4½c. a 5c. for pots and 6½c. a 7c. for pearls.

ANTIMONY was quoted at 12½c., gold, for Regulus.

BRESWAX was steady, with a fair demand, at 31c. a 32c. for Western and Southern.

BROOM CORN was very quiet, at 3½c. a 5c. for red tipped, 5c. a 6c. for medium and 6c. a 7c. for choice green.
