MEMORANDA.

The directors of the Chicago and Rock Island Railroad Company met at noon, and declared a quarterly dividend of two per cent, payable on the 1st of August. Mr. Towa, Treasurer, says:—"The resolution adopted at last meeting to cancel the 40,000 shares of the stock now in the company's possession is under consideration of the company's attorneys."

The foreclosure suits of a portion of the first mortgage bondholders of the Wabash Railroad Company, which have been pending before the United States Circuit Court in Illinois, have been amicably adjusted and withdrawn, and the coupons are to be funded in accordance with the funding plan heretofore published. This cause of alarm to the stockholders of the Wabash Railway Company is therefore removed. It is said that the autumn prospects of the road are on the whole very good.

FRIDAY, June 22—6 P. M.

Business has been much more active in some departments of trade during the week, but in other departments it has languished. Of course prices have vacillated materially, and in some cases real values have been very uncertain. Dry goods have been dull on the whole, although no change of moment has occurred. Hardware has been inactive. Wool has moved pretty freely and the market has hardened, although prices have not advanced. Cotton has moved slowly, only spinners buying to any extent on the week; still full prices have been paid. Petroleum has been dull and prices have declined. Hardware has been quiet. Drugs have been neglected, the war having ceased to be an important factor in this as in every other mart which was but a little while ago excited by it. Business at the Exchange has been slow, except in some exceptional cases. Flour has been firmer, but not active. Wheat has been the reverse of active, and prices have declined. Corn and oats have been irregular, being higher during the first part of the week, only to decline during the last half. Provisions have been irregular, the ups and downs being a little more marked. To-day (Friday) flour was quiet, but steady, wheat dull, but unchanged, corn lower, oats dull and lower. Whiskey was firm. Pork and lard were dull and lower, owing to a decline in the Chicago market. Freights were quiet. Cotton on the spot was firm; futures closed barely steady. Coffee was ¼c. higher. Sugar remained dull and nominal. Oils were steady, petroleum quiet, rosin firm, spirits turpentine steady.

ASHES were in moderate jobbing demand at 4½c. a 5c. for pots and 6½c. a 7c. for pearls.

ANTIMONY was quoted at 12½c., gold, for regulars.

BRISTLES were quoted at 30c. a 90½c. for Western and Southern. 10,000 lbs. sold at 80c.

BROOM CORN remained dull at 3½c. a 5c. for red tipped, 5c. a 6c. for medium and 6c. a 7c. for choice green.

COFFEE.—The market for Rio was still active and prices were advanced ¼c. The sales were 6,000 bags, ex Northumbria; 303 do, ex Humboldt, 1,150 do. ex Contest, 1,000 do. ex Tycho Brahe and 596 do. ex T. H. Armstrong, all on private terms. The stock here to-night in first hands is 103,876 bags. Mild coffee was quiet, but very steady. We quote:—Ordinary cargoes, 17c. a 17¼c.; fair do., 19¾c.; good do., 20¼c.; prime do., 20½c. a 20¾c.; extreme range for lots, 17c. a 22¾c.; Santos, fair to good, 19½c. a 20c., gold, 90 days; Java, government bags, 22c. a 23c.; do., grass mats, 23c. a 24c.; Singapore, 19c. a 20½c.; Ceylon, 19c. a 21c.; Maracaibo, 18c. a 20½c.; Laguayra, 19c. a 20c.; Jamaica, 17½c. a 19½c.; St. Domingo, 16½c. a 16¾c.; Porto Rico, 18c. a 20c.; Costa Rica, 18c. a 21c.; Mexican, 18½c. a 19½c.; Maracaibo, 19c. a 21c.; Angostura, 18½c. a 20½c.; Savanilla, 18c. a 20c.; Curacoa, 17c. a 19c.

COPPERAGE STOCK was quiet at late prices. We quote:—Molasses shooks, 32-inch, with heads, $1 70 a $2; sugar shooks, with heads, 36-inch, $2 10 a $2 30; do., do., 30-inch, $1 50 a $2; box shooks, 70c. a 75c.; rum do., $4; pipe do., $6 a $6 50; empty hogsheads, $2 50; hoops, 14 feet, ordinary to prime, $33 a $35; do., 12 feet, do., $28 a $30 per M.

COPPER.—The market was very quiet and quoted at 19½c., cash.

CORDAGE.—Market extremely dull but prices unchanged. We quote:—Manila, large and small size, per lb., 11½c. a 14½c.; do. cordage, bolt rope yarns, 16c. a 17c.; tarred Manila, 14c.; bleat rope, 9½c. a 10½c.; New Zealand, 11½c. a 12½c.; Russia hemp, tarred, 14c.; American do., 14c.; Russia bolt rope, 17c.

COTTON.—The market for spot cotton was firm but not quotably higher. The sales were light, the extreme views of holders having checked business to some extent. Futures opened about 4 a 9 points lower. The market ruled quiet and without radical change and closed barely steady at about the opening. The closing prices to-day compared with Thursday's were as follows:—
