CARRIAGE REPAIRS, BY BREWSTER, OF 25TH ST. We claim superior advantages for repairs to carriages. Our factory covers nearly 12 lots, giving ample room for paint sheds (now seldom used for want of space), enabling us to dry our paint thoroughly in the open air.
We finish all our work, both new and old, with the best English varnish, which is no experiment.
Parties giving up their carriages will do well to place them now, to get the advantage of slow painting. Estimates made at stable if desired and at satisfactory prices.
Orders may be left at our warerooms on 5th av.
