A WONDERFUL CURE OF BLINDNESS WITHOUT a medicine.—Dr. FANYOU, 183 6th av.:—Sir—My son William has been blind for over six years. He has been in two different hospitals. He has been under the treatment of our best oculists and doctors, and instead of growing better he was becoming worse. As a last resort I sent him to you. After the first treatment he could see lights, after the second treatment he could read signs and after the third treatment he came to you alone. I thank God for the good you are doing.
