SCHOOLS TO OPEN ON SEPTEMBER 25

Recommendation Made by Health Board as Paralysis Epidemic Wanes.

ONLY SIXTY NEW CASES

Movies Will Be Open to Children Over 12 Years Beginning Monday.

September 25 was decided on yesterday as the date for the opening of the public schools of the city, unless the infantile paralysis epidemic should not subside as rapidly as is expected. The announcement was made by Commissioner Emerson in a letter to William G. Willcox, president of the Board of Education, after a meeting of the advisory committee of the Board of Health. Dr. Emerson's letter was as follows:

"This department is definitely of the opinion that the public schools should not open for pupils under 16 years of age before September 25.

"While it is now our opinion that it will be safe to open the public schools on that date, it is possible that a further postponement may be deemed advisable if the epidemic should subside less rapidly than we now expect. A definite decision regarding this may be expected not later than September 11."

President Willcox said he had been informed by the Board of Health that in its opinion it would be safe to have the pupils register during the week preceding the Monday on which the schools open.

Registration Days.

The registration days for the elementary and high schools are September 20, 21 and 22. Examinations for high school students wishing to make up work in which they have failed will also be held during the week before the opening of school. There is no change in the date of opening the evening elementary schools, October 2, or the Training School for Teachers, September 11. The date of registration for the evening high and trade schools will be September 18, the schools opening on September 25. The Day Trade and Vocational schools will be open for registration on September 20, 21 and 22, and classes will begin on September 25.

Principals and clerks must report for duty on September 6. All other teachers, regardless of assignment, will be expected to report to their schools on the Friday preceding the opening of the schools.

The belief of the Health Department that the epidemic is waning rapidly was supported yesterday by a decrease in cases in every borough. There were sixty cases of infantile paralysis reported in the entire city and twenty-one deaths. The cases were distributed as follows: Manhattan, 26; The Bronx, 3; Brooklyn, 25; Queens, 6, and Richmond, none. In the entire city there were 29 cases less than on the previous day.

May Go to Movies.

A decrease of one death was also recorded. Slight increases in the number of deaths in Manhattan, The Bronx and Brooklyn were offset by a drop of from seven cases in Queens on Wednesday, to one yesterday. Richmond has had no deaths and only one case reported in the last two days.

Beginning Monday, children over 12 years old will be permitted to attend moving picture shows and theatres. All restrictions against children attending moving picture performances will be removed on the day the schools open.

The fund to buy braces for children crippled by paralysis has now reached $20,321.

The number of cases dismissed from hospitals as cured grows larger each day. Fifty were discharged yesterday from institutions in the five boroughs, and a greater number will probably leave daily hereafter.

Cornell Delays Opening.

The number of cases in New York State outside of the city passed the 2,000 mark yesterday. Fifty-three new cases and 12 deaths were reported. As a result of the number of cases Cornell University has delayed opening the fall term for two weeks, until October 9, and Wells College, at Auburn, has put over the opening until October 12.

Deaths were reported yesterday as follows: Wappingers Falls, 3; Theresa, 2; Troy, Buffalo, Nelsonville, Staatsburg, Beacon, Yonkers and Liberty, 1 each. The cases were as follows: Wappingers Falls and Aquebogue, 5 each; Riverhead, Freeport and Yonkers, 4 each; Rochester, Wright, Liberty, Garden City, Cedarhurst and Oyster Bay, 2 each; Stockholm, Southold, Bay Shore, Great Neck, Fabius, Staatsburg, Oswegatchie, Beacon, Buffalo, Poughkeepsie, Fallsburg, Salisbury Mills, Queensbury, Greenburg, Arlington and Theresa, 1 each.

Only 58 new cases were reported yesterday in New Jersey, bringing the total in that State to 2,673. The cases were distributed as follows: Newark, 6; West Orange and Jersey City, 3 each; Edgewater, South Orange, town of Union (Hunterdon county), Salem, Fanwood township (Union county), Springfield (Union county), 2 each, and Atlantic City, Hackensack, Evesham township, Wildwood, Wildwood Crest, Guttenburg, Harrison, Tewkesbury township, Dunellen, Asbury Park, Lakewood, Long Branch, Paterson and Ventnor, 1 each.

By Midnight Tuesday August 15th

Up to midnight August 15, a period of 7½ months, we sold and delivered more United States Automobile Tires than we sold during the entire twelve months of 1915—last year.

By August 16, we had passed, by several thousand casings, the sales total for 1915,—itself a year of steady sales increases.

And day by day these phenomenal 1916 increases are heaping up.

Besides—there were still left of this year 115 selling days—four and one-half months.

This almost unbelievable feat of equalling, in 7½ months, the sales record of last year, proves the unequalled merit and actual economy of

REACHING FOR RUSSIAN TRADE.

American International Corporation to Send Out a Force.

The American International Corporation, the $50,000,000 concern formed recently to promote American trade and industry in foreign countries, is making rapid strides toward establishing an active campaign for business in Russia. At a directors' meeting yesterday Frederick Holbrook was elected a director and vice-president, with power to take charge of the corporation's Russian branch in Petrograd.

Mr. Holbrook, who spent several months in Russia studying conditions and business opportunities, will sail some time this month, accompanied by a corps of experts and assistants.

3 Bids for Fire Cable Contract.

There were only three bidders for the contract to install underground wires for New York's new fire alarm system yesterday. No award was made, for Acting Fire Commissioner C. H. Fay expressed a wish to confer with the department engineers. The work consists of laying underground lead covered distribution cables from Eighty-second street to Fort George avenue. The Ohonite Company bid $139,069.43, the Standard Underground Cable Company $183,722 and the Safety Insulated Wire and Cable Company $142,138.56.
