Big Crowd Cheers August Belmont's Old Gelding Stromboli When He Defeats Roamer at Belmont Park Track

STROMBOLI BEATS ROAMER IN MILE AND A HALF RACE

Belmont's Gelding Shows More Speed in Final Sprint of the Municipal.

PEBETO ONLY HORSE TO FINISH IN STEEPLECHASE

Before one of the largest crowds of the season August Belmont's honest old gelding Stromboli defeated Roamer, last year's champion, over the mile and a half course at the Belmont Park track yesterday afternoon. They were the only starters in the Municipal Handicap and on their weights were almost the same it was practically a match race. Roamer carried 124 pounds, Andrew Miller's colors and the hopes and faith of the wise men of the turf, while the honest old Stromboli was weighted with 123 pounds and the hopes and prayers and wagers of the thousands of casual racegoers who were out in force yesterday.

Because of his great reputation, gained last year and in a race in the mud at Empire City track last summer, the experts with their heavier wagers made Roamer an odds on favorite at 1 to 2. A majority of the holiday crowd didn't like Roamer and those who did didn't like his price, so they wagered on the Belmont gelding, and when Stromboli won in a driving finish by half a length the crowd that filled the upper portion of the grand stand and the thousands who stood in the infield as the guests of Mr. Belmont gave vent to their feelings with thunderous applause.

Race Is Only Sprint.

To them Stromboli was the greatest horse of the year; the handicap king. Hadn't he defeated Roamer, last year's champion and claimant for the same honor this year, in clever style at practically the same weights over the cup course? they asked. To this question the experts answered in the affirmative, but added that the contest was not a mile and a half; that it was merely a sprint at three-sixteenths of a mile; that the early part of the race was merely a gallop and that the race did not begin until they turned in the home stretch; that such a race was made to order for Stromboli, which is the better sprinter, and that Roamer would have won if Jockey Butwell had allowed his charge to step along faster during the first mile of the contest.

But the explanations of the experts didn't convince the crowd. They had seen Roamer stepping around that mile and a half course and doing his best at the finish; they had seen him lead the Belmont gelding by a length from the time the barrier went up until straightened out in the stretch; then they had seen Jockey Butwell urge Roamer with whip, heel and hands, and at the same time they had seen little Johnny McTaggart give the old gelding a crack or two with his whip and then with a vigorous hand ride urge Stromboli inch by inch to even terms with Roamer and then continue to draw away and win in clever style.

Wouldn't Believe It Was a 'Fluke.'

That was what they had seen, and they didn't care much about how fast or how the first part of the event was run. Stromboli had won; he had beaten Roamer, and in their minds he was the better horse, and no one could convince them that it was what the experts call a "fluke" race.

Rhine Maiden, a four-year-old bay filly belonging to E. F. Whitney, won The Brentwood, a handicap for mares of all ages—that is, the judges said she did, and she got the winner's purse, but a vast majority of the throng who watched the race said she didn't. They claim they saw Gifford A. Cochran's brown filly Pielone and A. K. Macomber's imported Sisaga beat her past the post. It was a close finish, with the three fillies fighting it out all through the stretch. A sixteenth of a mile from home it seemed as if Rhine Maiden, which led from the start, had been overhauled and passed by Pielone and Sisaga. But Rhine Maiden was running straight and true, while Pielone was bolting toward the inner rail and carrying Sisaga, which was on the outside, with her. This made the pair run much further than Rhine Maiden and caused the judges to say the Whitney filly passed them a nose in front of Pielone, which was a nose ahead of Sisaga.

Steeplechase a Fiasco.

The famous Brook Cup Handicap Steeplechase at three miles resulted in a fiasco. It wasn't a race; it was a standing up match. Archibald Barklie's Blankenburg, H. W. Sage's Pebeto and James Park's Duke of Duluth started. They are considered the best cross country horses in the country, and the crowd expected to see one of the best chases of the year, but they saw the worst.

Pebeto was the only one to stand up, and he staggered home the winner of the $1,500 stake and the $500 worth of plate that went with it. Pebeto was so tired from standing up during the journey that a furlong from home he, too, wanted to fall down, but Eddie Helder, his jockey, wouldn't let him and after leaping over the last obstacle sideways he walked home to victory.

To practically every man at the track Duke of Duluth was the best horse in the race. He outran and outjumped his opponents for more than two miles and then with victory within his grasp he bungled going over an easy jump on the back field and threw his rider over his head. Blankenburg did not show to his best form. He leaped in slovenly fashion and was outrun on the flat until he went down after racing a mile and a half.

Milkman Disqualified.

W. R. Coe's imported Jack Mount carried off the honors in the last race. It was a dash for two-year-olds at five and a half furlongs. After following the early pace for three furlongs Jack Mount came with a rush and after a desperate struggle in the stretch beat out John E. Madden's Milkman by a nose. Milkman was four lengths ahead of Gifford A. Cochran's Jock Scot at the finish, but he was disqualified for fouling during the early part of the race. With him disqualified Jock Scot took second honors and August Belmont's Woodtrap moved into third place.

Only two favorites won during the day. They were Rhine Maiden and Jack Mount.

John E. Madden, who recently paid $50,000 to August Belmont for Friar Rock, announced yesterday that Mr. Belmont will not start the great colt in the Lawrence Realization Stakes at Belmont Park next Saturday.

Scratched—Cherry Ripe.

Intriguer wrested the lead from Ponce de Leon in first quarter, then, drawing away, held his field safe for balance of trip, to score in easy manner. Running Shot, outrun first half, closed stoutly last part and outgamed Glanaginty in final furlong. Latter had no excuse. Ponce de Leon stopped badly. Zinnia, off badly and had no chance, while Glitter was left at post.

831 SECOND RACE—Three-year-olds. One mile. Purse, $600. Time, 1.41 3-5. At post, 3.10. Off, 3.12. Winner, ch. c., by Plaudit—Expressing. Owner, R. D. EARLE. Trainer, E. H. Garrison. Start good. Won easily. Place driving.

Kilmer, outrun in first six furlongs, closed with a rush when straightened in stretch, easily disposed of the opposition and won galloping at end. Delancey and Ima Frank race, each other's heads off in early stages and this, coupled with the weight on the latter, caused her to crack in final furlong. Delancey outgaming her in final strides. Polroma, close to pace in first six furlongs, tailed off badly at end. Oratorium was always outfooted.

*Johnson entry.

Rhine Maiden assumed command in first furlong, was under pressure every step of the journey and just lasted. Pielone, never far from pace, fought the issue out in game fashion in final furlong and only failed by inches. Sisaga, badly outrun in early stages, closed with a terrific rush in final quarter and, though racing strongest at end, arrived too late. Kings Oak, right up with the pace until furlong pole, met with interference and was dropped back. Miss Puzzle showed nothing.

833 FOURTH RACE—The Municipal Handicap. Three-year-olds and upward. One mile and a half. Purse, $2,000. Time, 2.39 1-5. At post, 4.03. Off, 4.04. Winner, ch. g., 5, by Fair Play—St. Priscilla. Owner, A. BELMONT. Trainer, S. C. Hildreth. Start good. Won driving.

Woodtrap threatened at furlong pole, but then hung badly. Claim of foul lodged against Milkman and allowed. Jock Scot was placed second and Woodtrap third.

PAT O'CONNOR IS PENTATHLON VICTOR

Easily Defeats Rivals in All Around Contest in Celtic Park.

JIM PLANT SHOWS HEELS

Pat O'Connor, who wears the blue of the New York Police Department when he works and the green of the Irish American A. C. when he plays, showed his athletic versatility at Celtic Park yesterday afternoon by capturing the pentathlon, the five event competition which featured the games of the International Brotherhood of Electrical Workers.

The sturdy Celt broad jumped 21 feet 6½ inches, hurled the javelin 138 feet 2 inches, sprinted 200 meters in 25 2-5 seconds, scaled the discus 119 feet, and ran 1,500 meters in 4.51 2-5, and then knocked off athletic work for the afternoon.

When the scorers had tabulated the points it was found that the stalwart son of the Emerald Isle had kept his total down to 11½ points, 7½ points better than his closest rival, J. R. Fritts, an unattached athlete, who scored 19 points. Consolation prize went to B. Lichtman of the Irish-American A. C., whom Fritts defeated for second laurels by the margin of 2 points. S. Petander, the Swedish athlete, who wears the Winged Fist of the Irish American A. C. finished fourth.

Placed in Every Event.

O'Connor won the broad jump, finished third in the javelin throw, tied for second in the 200 meter run, took second place in the discus throw and third in the 1,500 meter run. Fritts won the javelin throw and took second in the 1,500 meter run. He was outside the first three in the broad jump, 200 meter dash and discus throw.

From off the back mark of 16 yards the flying four of the Irish-American A. C., Jim Power, Eddie Coyle, Joe Bromilow and Irving Howe, captured the 1¾ mile relay race, leading home the Salem Crescent A. C. and Newark A. C. fours, who grabbed second and third laurels.

Jimmy Plant was allotted a 50 yard start in the 3 mile handicap and romped away with the premier laurels. Jimmy rapidly sliced his way up through the big field and was heading the procession at the 2 mile post. Once in the lead there was nothing to it but Plant, and the metropolitan junior 5 mile champion won on the chin strap in 15.26 4-5. Tom Barden, the Irish American A. C. crack, who started from scratch, finished second, and J. Katz of the Pennant A. C. captured third prize with the aid of a 165 yard start.

Pentathlon Contest.

Running Broad Jump—Won by P. J. O'Connor, Irish American A. C., 21 feet 6½ inches; E. A. Anderson, Swedish American A., 21 feet 5¼ inches, second; B. Lichtman, Irish American A. C., 19 feet 7¾ inches, third.

Throwing the Javelin—Won by John R. Fritts, unattached, 138 feet; S. Petander, Swedish American A. C., 144 feet ¼ inch, second; Pat O'Connor, Irish American A. C., 138 feet 2 inches, third.

200 Meter Run (Timing Qualifications)—First heat: Won by J. J. Mahoney, unattached. Time, 23.1-5 seconds. Second heat—Won by Pat O'Connor, Irish American A. C. Time, 25 2-5 seconds. Third heat—Won by A. Flournoy, St. Christopher Club. Time, 25 2-5 seconds.

MISS MINNEAPOLIS LEADS FOR GOLD CUP

Wins Second Leg on It After Baby Marold Takes Fire and Sinks—Cruisers Collide.

DETROIT, Sept. 4.—Miss Minneapolis of the Minneapolis Power Boat Association, averaging nearly fifty miles an hour, today won the second thirty mile heat of the national power boat races here. She crossed the line ahead in each of the six laps and won in 41:46. Miss Detroit, the cup defender, was second; Peter Pan VII, of the Columbia Yacht Club, New York, third, and Hawkeye of the Lake George Club, fourth.

The day's sport was marred by two accidents. Baby Marold of Detroit, after setting up a new world's record of fifty-five miles an hour in the first lap, caught fire near the finish of the second round and was totally destroyed. It was necessary to sink the craft to extinguish the blaze. Her driver, John Milot of Detroit, was slightly burned about the hands and thrown out by the force of the explosion. The mechanician jumped overboard after heading the boat away from the shore, and escaped uninjured. Breaking of the gas
