Pair of Homebreds and Two Visiting Golfers Reach Semi-final Round in Greenwich Invitation Tourney

TWO GREENWICH GOLFERS SURVIVE ON HOME LINKS

Graham and Topping Are Left in Fight With Peacock and Marston.

PLAYOFF FOR MEDAL VICTORY FOR GRAHAM

GREENWICH, Conn., Sept. 26.—The "homebreds" fared reasonably well in the first two rounds of match play in the Greenwich Country Club's invitation tournament to-day, for two of them, Samuel J. Graham and Henry J. Topping, reached the semi-final round. Their two fellow semi-finalists are Max Marston of Baltusrol and Grant Peacock of Princeton. The draw, however, spoiled chance of an all Greenwich final to-morrow afternoon, for in the morning Graham must play Topping in one match while the two visitors, Marston and Peacock, are fighting it out in the other.

Whether Graham or Topping earned the most glory to-day was a puzzling question. As far as mere quantity was concerned Graham was the star, for he not only won his two matches, beating Gardiner White in the morning and C. G. Comstock, Jr., in the afternoon, but he also gathered in the medal as the result of making a 75 while playing with White. Reginald M. Lewis and Hamilton K. Kerr, the two others who tied for the medal yesterday, also kept their scores in their morning matches, Kerr taking 80 and Lewis picking up.

Topping Comes Home in 35.

Topping waited until this afternoon to make himself famous and almost waited too long at that. He had Kerr as his opponent and as the result of some most indifferent golf found himself 4 down at the turn. It was not a pleasant position to be in, so as he walked from the tenth green to the tenth tee, answering meanwhile the polite inquiries of those about the scoreboard, Topping devised a scheme to extricate himself. He put par and Kerr in the same class coming in and beat them both, par by one stroke and Kerr by five holes. It was a great rally and the 35 for the inward journey was by all odds the best golf of the day. The match was squared at the fourteenth, Topping won the sixteenth and the others were halved.

Gardiner White was not the only star who was put out of the running in the morning for Reggie Lewis and Frank Dyer also went down to defeat. The Connecticut and Westchester champion was doing some experimenting with a couple of borrowed clubs and he discovered that while playing Max Marston experimenting was a poor plan. Marston was playing fine golf and won the match by 3 up and 2 to play. Graham's 75 was largely responsible for White's downfall, and Dyer was beaten by W. Parker Seeley of Brooklawn.

Of course the big match in the afternoon was the struggle between Graham and Kerr for the other three matches lacked the thrill which Topping provided for the gallery that followed him. Comstock proved an easy victim for Graham, the latter winning by 6 up and 5 to play, but the other two were close.

Marston's opponent was Parker Seeley and the former Connecticut champion put up a good fight which was carried to the seventeenth green, where Marston triumphed by 2 up and 1 to play. The last match in was that between Grant Peacock and Vincent K. Hilton, the tall young holder of the metropolitan junior title. Hilton was not at his best and after a struggle that was close all of the way, Peacock won by 2 up and 1 to play.

The tourney will end to-morrow and most of the stars will move on to Boston for the Lesley Cup matches, which are to be played at Brookline on Friday and Saturday. Topping, although he was named as a member of the Metropolitan team, probably will not be able to play at Brookline. The summaries:

Veteran Football Stars Join Fordham Squad

Dempsey of Georgetown and Erwig of N. Y. U. Report to Maroon Coach and Practice for Lafayette Game Saturday.

In a final endeavor to smooth off the rough edges on the Fordham eleven before the Lafayette game Saturday Head Coach Gargan drove his squad harder and longer than at any time this season.

Two newcomers were in moleskins and their arrival caused quite a stir. Dempsey, the Barringer High School star of Newark, who had bids from all the big universities and played on Georgetown varsity last season, now wears the Maroon.

Dempsey is the biggest acquisition the Fordham eleven has had in recent years. He weighs 180 pounds and was credited with making a big impression in the Princeton-Georgetown game last year. Playing halfback, he raced around the scrub ends at will and punted sixty yards.

Erwig in Uniform.

Erwig, who starred on the New York "U" back field last season, is the other newcomer. He practised the other halfback position with Dempsey, and his handling of forward passes greatly pleased Coach Moriarity. The former "N. Y. U." star endeavored to enter the premedical course at Fordham last year, but his application was rejected owing to his tardiness.

With the arrival of Erwig, Morris High School has a representation of three players on the Maroon varsity. Treanor at centre and Weinheimer in the back field complete the local high school trio of gridiron warriors.

Cantwell has been playing fullback, where his low charging through the scrub line gives him the edge on his four competitors. McNamara directed the varsity during a half hour's scrimmage and used good judgment. He will be quarterback in the Lafayette game.

Score Three Touchdowns.

During the scrimmage the varsity retained possession of the ball at all times, although the scrubs held them for downs on one occasion. Three touchdowns were registered. This was the first scoring done on Fordham Field this season. McNamara, Erwig and Dempsey each crossed the line on forward pass plays from a closed formation.

Wigglesworth, who has been smashing up everything coming around his position on the varsity wing, sustained a badly wrenched knee. His position on the first eleven is assured, but Coach Bill Kelleher fears he will be out of the Lafayette game. Braney, the Syracuse freshman star, filled his place, and although lighter than Wigglesworth, put up a fine offensive game. Jack Conklin, a veteran end, has won the other position.

TENNIS CHAMPION LOSES IN DOUBLES

Miss Molla Bjurstedt Put Out in First Round of Boston Tourney.

BOSTON, Sept. 26.—Upsets of a sensational nature continued to crowd into the women's open tennis tournament at the Longwood Cricket Club to-day. Miss Molla Bjurstedt, national champion, paired with Miss Eleonora Sears, with whom she has taken several cups this year, was defeated in the third round by Mrs. A. A. Shurtleff of Boston and Mrs. H. H. Smith of Philadelphia. The scores were 2—6, 6—4, 6—4. Sensational playing by the victors, especially at the net, more than shaded the best offerings of the champion and Miss Sears.

Another star of the tennis firmament to fall before the prowess of a newcomer was Miss Florence Ballin of Philadelphia, who was defeated by Miss Gwendolin Brandon of New York in a desperate struggle by 8—6, 10—8. Miss Brandon played the same steady, careful placing game that earned her a victory yesterday against Miss Marion Fenno of Boston. Miss Ballin was at the top of her game and playing every shot with precision, but the New York player managed to have the better endurance and the better accuracy.

Miss Ina Kissel and Mrs. Barger Wallach, each from New York, were successful in their singles matches. Miss Kissel defeated Miss Elizabeth Dwight of Boston, 6—1, 3—6, 6—4. Mrs. Wallach won from Mrs. A. A. Shurtleff of Boston, 6—1, 6—4. The mixed doubles were started to-day with several fine matches. The summaries:

NEW PRINCETON ARRIVALS.

McLean and Gowan Report to Coach Rush at Lake Minnewaska.

LAKE MINNEWASKA, N. Y., Sept. 26.—Coach John Rush lightened the work of the Tiger squad to-day. Although practice was held in both the morning and afternoon, there hardly was any scrimmage work. The coaches plan to give their charges their hardest scrimmage work to-morrow in preparation for the game with Holy Cross on Saturday. McLean and Gowan, the last of last season's veterans to put in an appearance at the camp, reported for work this afternoon and were given plenty of it.

Gowan, who was a substitute centre last fall, came to Minnewaska from France, where he had been driving an ambulance all summer.

Bill McLean was a regular varsity tackle last season and will make a welcome addition to the squad, which is hard put for experienced tackles. The present plans of the management call for the squad consisting of about thirty players to leave Lake Minnewaska early Thursday morning for Albany, where practice will be held before proceeding on to Worcester.

MORE COLUMBIA GRIDDERS REPORT

Football Squad Gains Five Candidates—Three Out for Varsity Team.

Five new candidates, three of them varsity aspirants, came out for the Columbia football eleven at yesterday's practice at South Field. The newcomers included Rosen, a substitute back last fall, and Zychlinski, shot putter and all around weight event man on the track team. Zychlinski's weight should make him a powerful factor in the back field if Metcalf can instil the big fellow with the proper football training.

The acquisition of these two men featured an all around big day at Morningside Heights. Howard Miller was declared to have officially passed his deficiency exam, verifying the statement of the little quarterback of the day before that he had passed the exam. Jimmy Cleveland, the 230 pound right guard, took his examination in geometry yesterday morning and asserted that he had passed the big test. Donaldson is now the only regular who has still to face the faculty ordeal, coming up for an exam in banking to-day.

"Pete" Mansbach, regular halfback last season, was out in uniform and practised with the squad during the morning workout. Mansbach stated in the afternoon that there was a possibility of his returning to college next week. His accession to the squad would render the coaches jubilant, for Mansbach was the team's best punter, as well as one of Metcalf's big aces in the back field.

BAGGS NEAR NET TITLE.

Defeats R. C. Thomas in West Side Club Tournament.

Frederick C. Baggs crept nearer to the West Side Tennis Club singles leadership yesterday when he defeated R. C. Thomas, 8—6, 6—0 and advanced to the final round. Only a few matches were played, one other in the Class A and just enough to keep up the interest in the other classes. The other Class A player to reach out for the title was A. W. Macpherson, who eliminated C. W. MacMullen, 6—1, 6—2. The first round doubles in Class B were started with some success. The summaries:

West Side Tennis Club Singles. Second round—A. W. Macpherson defeat C. W. MacMullen, 6—1, 6—2. Semi-final round—Frederick C. Baggs defeated R. C. Thomas, 8—6, 6—0.

During the game with St. Paul at Swayne Field last July 23 umpire Johnson was struck on the head by a pop bottle thrown from the stands and rendered unconscious.

Four Games Cancelled.

Four scholastic football games scheduled for this week have been cancelled so far. The St. Paul's-Freeport game, which was to have been played this afternoon, has been called off due to the fact that the Garden City school does not open until October 5. This also necessitates the cancellation of the game with Boys' High on Saturday for the same reason. Manual Training, because of the uncertainty of its being represented on the gridiron this year and its late start in practise, has cancelled its game scheduled for Saturday against Stuyvesant. Faculty Manager Rose has thought it better to call off the Commercial game, which was to have been played Saturday because of the players being far from their best physical condition.

Practise is under full swing in Brooklyn. The Manual Training and Boys High elevens are working out at Washington Park. The Seventh avenue school has the use of the former home of the Brooklyn Prep, Commercial and Bushwick also started practise. Adelphi Academy is the only Brooklyn school that has not issued the call for candidates.

Fordham Prep Seeks Games.

Fordham Prep football team is looking for additional games either on the Maroon gridiron or away from home, according to the Bronx management. Owing to cancellations only four games are on the schedule and constitute the following contests:

September 30, St. Francis Prep at Fordham; October 14, De Witt Clinton H. S. at Fordham; November 18, St. John's Prep at Brooklyn; November 18, Brooklyn Prep at Fordham.

Duncan O'Brien, a senior at Fordham, is coaching the prep eleven.

H. H. La Ment will again coach the Pawling School football team. He had his charges out yesterday, and was highly pleased with the way they went through their paces.

Coach Maxwell A. Crooke has thirty-five football candidates working out for the Manual team. Of the veterans there are Klaiber, Berry, Doyle, Olson, Perkins, Goldberg, Carpenter, Jobin, Bloomgarden, Clark, Brody, Gallagher, Kiendl, Barton, Prust, Zeltz and Marethie.

SIXTY WOMEN TO TRY FOR GOLF TITLE

Small But Good Field Will Play in Championship at Belmont Spring.

FEW BOSTON ENTRIES

Just sixty names are on the list of entries for the women's national golf championship, which will be played next week on the course of the Belmont Spring Country Club at Waverly, Mass., near Boston. The list was announced yesterday by Howard F. Whitney, secretary of the United States Golf Association. The number is far below the high water mark set last year at Onwentsia, when there were 119 entries, but one reason for the big number then was that the tourney had not been sent West for a number of years and nearly every woman golfer for miles around seized the opportunity to try for the title.

It was expected that the Boston women would do much the same thing this year, but they failed to live up to expectations and only a handful sent in their names. Their apathy is puzzling to the officials of the United States Golf Association. The small group of Boston entrants was reduced at the last moment yesterday when the Misses Margaret and Harriot Curtis, who between them have won four national championships, sent word by telegraph to withdraw their names. No reason for the unusual action was given.

Miss Stirling Will Play.

Although the field might well be bigger, it is an excellent one in point of quality despite several notable absentees, including the title holder, Mrs. Clarence H. Vanderbeck of Philadelphia. The champion announced some time ago that because of her long illness last winter she would not defend her crown, and she has stuck to her determination. As announced last week, Mrs. Quentin F. Feltner, the metropolitan champion, also will not play at Belmont Spring.

Aside from those mentioned, however, all of the leading women golfers have entered, and the tourney should be up to the standard of its predecessors. Miss Alexa W. Stirling, the Southern champion, who beat Mrs. Vanderbeck at Philadelphia on Saturday, has entered and will play in the qualifying round with Miss Georgianna M. Bishop of Brooklawn, national champion in 1904. Miss Marion Hollins, runner up for the national title in 1913 and metropolitan champion the same year, will play, as will Mrs. W. A. Gavin, the Eastern champion, who was runner up at Onwentsia a year ago.

The Entries:

8:30, Mrs. Charles E. Rosley, Oakley, and Miss Grace Semple, St. Louis; 8:35, Mrs. J. V. Hurd, Pittsburg, and Miss Edith Vanderbeck, Burlington; 8:40, Miss Louise G. Witherbee, Port Henry, and Mrs. John W. Douglass, Westmoreland; 8:45, Miss Marion Hollins, Westbrook, and Mrs. Charles C. Van Vechten, Piping Rock; 8:50, Mrs. Louise V. Bay State Team Chosen.

Jesse Guilford of Woodland, the State champion, will head the Massachusetts team in the Lesley cup matches at Brookline on Friday and Saturday. The other members of the team will be Fred J. Wright, Albemarle, the Massachusetts junior champion; R. R. Gorton and R. D. Pierce of Brae Burn; C. M. Amory, Rodney W. Brown, W. C. Chick, B. W. Estabrook, Parker W. Whittemore and H. H. Wilder, all of Brookline; L. B. Paton, Homestead, and S. K. Sterne of Tatnuck.

While playing a round on the course of the Rockaway Hunting Club yesterday afternoon A. L. Norris made the third hole, 195 yards, in one stroke. His companions who vouched for the performance and enjoyed the usual celebration in the club house afterward were T. P. Dixon and G. P. Miller.

WILY JAMES JOHNSTON RESCUES TOM COWLER

Smith Lands Punch in Stomach That "Breaks" Opponent's Glove.

Jimmy Johnston, manager of Tom Cowler, is nothing if not resourceful, of which fact he gave striking evidence last night at the Broadway Sporting Club, where his man was engaged in combat with Gunboat Smith. The Gunner had planted a terrific left in Cowler's stomach, doubling up the Briton and sending him to his corner weak and wabbly. This fact did not escape the eagle eye of J. Johnston, who found to his "surprise" that there was a hole in one of Cowler's gloves. A new glove was sent for, and it took Johnston two minutes and fifteen seconds by the official timekeeper's watch to take off the damaged glove and put on the new one.

This was one minute and fifteen seconds more than allowed by the rules, and Cowler had recovered from his weakness when the bell again called him to the centre.

However, the Gunner gave Cowler a thorough drubbing, though failing to stop him with the despatch shown by Dillon. For a few rounds Cowler danced about and kept a light jab working on the Gunner's nose. But finally the Gunner got the range and he hammered Cowler hard on body and jaw for the remainder of the bout.

Cowler's right eye was cut in collision with the Gunner's head in the second round, and it bled unpleasantly throughout. Cowler's supposed cleverness consisted of wriggling his shoulder and then jabbing with his left. Smith countered with the left effectively. Cowler weighed 206½ and Smith 177¼.

He did not pitch for the Yankees, but pitched in National League for Pittsburg, Cincinnati and St. Louis.

HITCHCOCK FOR HORWEEN.

New Yorker Earns Place on Harvard Varsity Team.

CAMBRIDGE, Mass., Sept. 26.—Ralph Horween of Chicago was removed from the position of right halfback of the Harvard varsity football team to-day and Ripley Hitchcock, Jr., of New York, a substitute back, who played against Colby last Saturday, took his place.

G. Colket Ganer of Philadelphia, captain of the tennis team, who figured in the football squad last fall as a substitute player, has been advanced to a position in the varsity line in place of D. G. Lovell of Baltimore, and will play against the Bates team next Saturday.

The men received a good workout. Although there was no hard scrimmage the coaches kept the men on the jump for more than an hour. After long drills at punting and tackling the dummy they had a long signal drill.

YOUNGSTERS DIVIDE PURSE IN LONG RACE

Deckmate, Melodrama and Precise Beat Out Older Horses.

IMA FRANK A WINNER

BALTIMORE, Sept. 26.—That two-year-olds at this season of the year have a big advantage in the weights over old horses was amply demonstrated in the sixth race at Havre de Grace track this afternoon. The contest was at one mile and a sixteenth. In it eight horses, half of which were two-years-olds, sported silks and at the finish the old horses were far in the ruck. Three youngsters divided the entire purse, and another finished a close fifth.

August Belmont's Deckmate, a big robust fellow which shows little or no speed in a sprint, were down all opposition and won easily in a hand drive by a length. Melodrama finished second and Precise third. The other two-year-old in the event was Polonium, which finished fifth a nose behind Friar Nought. Ima Frank, a little Texas bred filly that has been racing very consistently all season, conceded big lumps of weight by the scale to several fast sprinters in the handicap for fillies and mares at six furlongs and beat them impressively. She had a rough trip, but managed to beat out Anita and Fenhouse cleverly after a hard tussle in the stretch. Anita was interfered with on the upper turn, which caused a complaint of foul, but it was not allowed by the stewards. Harry Payne Whitney's filly Regina was the favorite for the race. She showed some early speed and then quit and finished fifth. The summaries:
