PROMOTIONS GIVEN WOUNDED OFFICERS

Captains Nimon and Roberts of Jersey Guard Expected to Return Home Soon.

LIEUT. BUELL GETS BACK

Private Hayden of Old 69th and a Rainbow Fighter Killed in Accident.

Lieut. Ralph P. Buell, who has been reported as severely wounded, was fighting in France with Company C, 107th Infantry, which is one of the companies of the old Seventh Regiment of New York that was in the midst of the battle which shattered the famous Hindenburg line.

Lieut. Buell was a member of the law firm of Graham & Lammereux, 42 Broad street, and lived at Flushing, L. I. He got back home several days ago and went to New Milford, Conn., with his wife and child to recuperate. He is a member of the Bayside Yacht and Oakland Golf clubs.

Mrs. John H. Nimon, Jr., received word yesterday that her husband, who was gassed on October 12 while in action with the old Fourth Regiment of the New Jersey National Guard, known now as the 114th Infantry, had been promoted to Captain for bravery under fire.

Gassed Officer Is Promoted.

The same letter that told of the promotion said Capt. Nimon had been in a hospital since the gassing, but had virtually recovered and soon would start for home to see the new baby daughter who was born last July, several months after Capt. Nimon arrived in France. The Nimon home is at 861 Communipaw avenue, Jersey City.

Capt. Edgar W. Roberts, who is reported as recovering from wounds in a base hospital in France, was a practicing physician at West New York, N. J., when he started overseas with the 114th Infantry. He trained at Camp McClellan with the 114th, in which he was a lieutenant. He won his promotion to a captaincy by bravery in action. Capt. Roberts is 30 years old, a graduate of Bellevue Hospital Medical College and served as an interne in the North Hudson Hospital.

Brooklyn Officer Recovering.

Lieut. William S. Bartley of the Headquarters Division, 308th Infantry, who was reported wounded in action on October 5, lived with his parents at 70 Cedar street, Brooklyn. In a letter received from him a few days ago he said he was recovering rapidly and expected to be back soon with his regiment.

Private John S. Hayden, listed as having died of accident, was serving with Company L, 165th Infantry, which is New York's old Sixty-ninth Regiment. He was a son of Christopher Hayden of 716 Second avenue and was 23 years old. He enlisted in the Sixty-ninth as soon as war was declared and was in all of the fights in which the Rainbow Division had a hand up to last August, since which time his parents had not heard from him until official notification that he was dead came from the War Department.

FOOD EXPORT FREED FROM RESTRICTIONS

Sweden, Finland and South America Affected.

Special Despatch to THE SUN.

WASHINGTON, Dec. 22.—Confidence in the supply of American foodstuffs was indicated by statements from the War Trade Board to-day to the effect that exports of foodstuffs to Sweden, Finland and South America would be permitted under only nominal restrictions. It was announced that cargo space for all goods, including foodstuffs to South America, will soon be available.

The cargoes awaiting shipment may be carried on American and Dutch ships not engaged in the transatlantic commerce. The Dutch shipping available for this purpose now amounts to 70,000 tons less bunker space. Holland, in addition to the six Dutch ships now in American ports, recently sent five ships—the Brunswick, Delta, Minerva, Moerdyk and Terschelling—in expectation of loading grain cargoes. The congestion of grain loading facilities has brought about a decision on the part of Holland to send these ships to South America. The War Trade Board has backed its move by granting coal for the round trip.

In addition to these concessions to the Dutch trade the War Trade Board to-day announced that the export of foodstuffs to the Swedish people had been authorized and that these foodstuffs probably would arrive in Sweden in less than a week. The list of supplies now on the way to Sweden amounts to more than 7,000 tons of essentials.

The first shipments of foodstuffs to Finland is on the way, also amounting to 14,000 tons. This is the first food sent to Finland for civilian relief. The shipments were made following the receipt of a cablegram from Herbert Hoover with the approval of the allied Governments, according to the War Trade Board.

It was explained that these shipments were not authorized until after assurances from Mr. Hoover and representatives of the Allies that Finland appears to be establishing itself on a comparatively stable basis, nationally and politically.

by the Associated Press.

Madrid, Dec. 22.—At a meeting of Catalonian Deputies and representatives of the various cities in Catalonia it was decided, according to despatches from Barcelona, to postpone action regarding autonomy for Catalonia until January 10, when a declaration will be promulgated.

The Spanish Government has issued a proclamation stating that the law will be applied to all those disturbers.
