REALTY MARKET NEWS AND COMMENT

Buyer of Clothier Property on Washington Place Makes Quick Resale.

BRONX HOUSES TRADED

Chess Club to Have Quarters in West Fifty-first Street House—Many New Leases.

John W. Herbert of Helmetta, N. J., realized a quick and substantial profit yesterday through the resale of the eight story loft building at 8 Washington place, southwest corner of Mercer street, which he bought on Friday from Isaac H. Clothier of Philadelphia. The new owners are Wilkinson Bros. & Co., paper manufacturers, at 419 Broome street, who plan to hold the Washington place building as an investment.

The building yields an annual rental of $23,000. The leases on it do not expire for a year or more, but when they do, it is possible that Wilkinson Bros. & Co. may occupy the building themselves. The property is said to have cost Mr. Clothier $300,000. Daniel Birdsall & Co. arranged the sale to Mr. Herbert and were associate brokers with Louis S. Samuels in the resale to Wilkinson Bros. & Co.

BRONX APARTMENTS IN TRADE.

Three Bronx apartment houses along Southern Boulevard adjacent to the new subway are reported to have figured in an exchange transaction which also involves a large estate situated along the Hudson River up State. The location of the estate could not be learned yesterday.

The Bronx property comprises the three five story apartments at 1015, 1019 and 1023 Longwood avenue, each standing on a plot 42x100 and valued at $150,000. The houses have been sold by the Mansion Realty Corporation, in which Ely Maran, Bernard London and R. Simon are interested. The buildings show an annual return of $22,000. Each is arranged for twenty-five families.

The structures are three of a row of five at this point, which the sellers acquired thirteen months ago from the Fortis Realty company. Together they occupy the block front on the north side of Longwood avenue between the Southern Boulevard and Fox street, having frontages of 210 feet on Longwood avenue and 110 feet on the other thoroughfares. The corners are still owned by the syndicate. The property is close to the station at Southern Boulevard and Longwood avenue of the new subway which is soon to open.

CHESS CLUB QUARTERS LEASED.

F. J. Marshall, United States chess champion, has taken a lease of the dwelling at 57 West Fifty-first street, near Sixth avenue, a three story house, 20x100, owned by Joseph W. Cushman. Part of the premises will be used by Mr. Marshall and his family and part will be set aside for what is to be known as Marshall's Chess Club.

Three rooms on the first floor are to be devoted to the purposes of the club, including a library and studio for lectures and private lessons. An entire floor will be used for exhibition purposes on special occasions. Upper floors of the house will be laid out in bachelor quarters.

BRASS COMPANY ADDS TO SITE.

The U. T. Hungerford Brass and Copper Company has added to its large site by the purchase of 81 White street from Jennie K. Stiefel. The property consists of a five story building, 25x100, fifty feet east of the seventeen story Hallenbeck-Hungerford building which covers the Lafayette street frontage, from Franklin to White street. The buying company now owns 81 to 95 White street, a plot fronting 182.2 feet.
