FOREIGNERS SEEK AMERICAN GOODS

New Chances for Expansion Offered to Manufacturers and Dealers.

THEIR VARIETY STRIKING

French, Italians, English, Algerians and Others Seek Agencies.

The weekly list of trade chances gathered by the United States Department of Commerce is given below.

Addresses of persons and firms mentioned may be obtained through THE SUN. Questions regarding published items should be on separate sheets, a sheet to each item, and the number of the item should in all cases be stated.

THE SUN does not furnish credit ratings or assume any responsibility as to the standing of business men or firms abroad. The usual precaution should be taken in all cases. Those desiring American goods and what they want are:

353. A firm in France desires to secure an exclusive agency, with a depot of supplies, for the sale of carpets and rugs.

354. A manufacturing firm in England desires to purchase and to secure an agency for the sale of watches of all kinds, gold plate chains (rolled gold), silver chains and nine or ten karat gold chains.

355. An agency is desired by a man in France for the sale of household articles for the kitchen and table.

Electrical Agency Sought.

356. A man in Italy desires to secure an agency for the sale in southern Italy of electrical machinery and supplies and metal and leather articles.

357. A man in France desires to secure an agency for the sale of hardware, building materials and household articles.

358. A firm in Italy desires to secure an agency for the sale of hides, skins, boots, hosiery, cotton, chemical products, rubber goods, hardware, metal articles, tin plate, soap, fish, lard, canned goods, stockfish and condensed milk.

359. A business man in France desires to secure the representation of a large distilling house and a large soap firm or other lines of goods not technical.

360. A man in Algeria desires to secure an agency for the sale of general food products, sugar, chemicals and coloring matters.

361. A manufacturer in Italy desires to purchase iron, steel, brass, copper, aluminum and lumber used in the construction of railway cars, and also machinery for making household utensils and hardware.

362. An agency is desired by a man in France for the sale of hides, skins, leather, machinery and supplies for tanneries.

363. A man in Italy desires to secure a general agency for the sale of wood, leather, varnishes and medicines.

364. A business man in France desires to secure an agency for the sale of ready made clothing for men and children.

365. The head of an American firm established in South Africa is in this country and desires to secure an exclusive agency for the sale of confectionery, sugar, starch, cocoa, hosiery, woollen goods, cotton goods, rubber goods, playing cards, novelty toys, collars, shirts, shoes and medium grade women's wear.

366. A firm in Italy desires to secure an agency for the sale of electrical heating and cooking devices, such as stoves, flatirons and boilers.

367. A company in France desires to secure an agency for the sale of mechanical reapers, harrows and sowers.

Agency in Azores.

368. A man in the Azores desires to secure an agency, with a stock of goods, for the sale of machinery and machine tools of all kinds, especially for metallurgical and for wire drawing mills.

369. A firm in Italy desires to secure an agency for the sale of cloth, thread, velvets, linen handkerchiefs and clothing for men and women.

370. A man in France desires to secure an agency for the sale of electrical apparatus, kitchen utensils, household articles, garden tools, hardware, motorcycles and electrical cars for factories.

371. A company in Italy desires to secure an agency for the sale of technical and industrial articles, material for construction work and electrical and agricultural apparatus.

372. A merchant in France desires to secure an agency for the sale of raw wool, cotton, jute, silk and all articles manufactured therefrom.

373. A company of manufacturers' agents in England desires to purchase outright or to act as sole agents for the sale of nut to tennis racquets and whip manufacturers. It also desires malaccas and other stocks for whips (but not the finished article) and unfinished hunting crops.

374. A firm in Italy desires to secure an agency for the sale of smokers articles and mineral oils.

375. A British Indian company, with buying headquarters in New York city, wishes to purchase direct from manufacturers hosiery, piece goods, electric bulbs, canvas, paints, roofing, waterproofing materials, sizing materials for fabrics, shoes and automobiles and accessories.

377. A man in France desires to secure an agency for the sale in southern France of automobiles and trucks, agricultural machines, salt meats and conserves.

Cane for English.

378. A firm in England desires to purchase outright or to act as agent for the sale of chair cane, split ready for caning chairs, round pulp (centre) cane for art chairs, baskets, bassinettes, &c., and colored enamel cane. It also desires steel busks, steel back and side steels, covered and uncovered corsets and belt cloths, women's suspender fittings, whalebone, horn, fancy lines and novelties, and all supplies connected with the corset and surgical belt trade.

379. A company in Italy desires to secure an agency for the sale of American grains.

380. An agency is desired by a man in France for the sale to Belgium of salt meats, bacon, hams, lard and conserve meats.

381. A man in Switzerland desires to secure an agency for the sale of standard American goods of any description, especially agricultural implements, tools and hardware.

382. A man in Italy desires to secure an agency for the sale of leather for the upholstery of furniture and automobiles.

383. A man in France desires to secure the representation of manufacturers and exporters of canned goods, thick sausages, hams and bacons.

384. A commercial agent from Australia who is now in this country desires to represent manufacturers direct throughout Australia and New Zealand.

385. A company in Italy desires to secure an agency for the sale of cotton and silk waste, hemp, raw linen and artificial and natural silk yarns, men's and women's silk socks and stockings, snap fasteners, needles and chemical products.

386. A man in France, previously engaged as interpreter with the American Expeditionary Forces, desires to secure an exclusive agency for the sale of any kind of American products, novelties and chemical manures.

387. A man in Belgium who is a graduate of an American university will come to this country to make connections with firms seeking representation in Europe by a commercial travelling engineer.

388. A firm in Canada desires to be placed in communication with firms for the purchase of facing bricks, not red bricks. Large quantities will be required.

389. A firm in Syria desires to represent American firms for the sale of all kinds of products that are in demand in that country.
