FOREIGNERS SEEK AMERICAN GOODS

Varied Products Desired by Consumers All Over the World.

AGENCIES ALSO DESIRED

Trade Opportunities Continue to Open to Merchants and Manufacturers.

The weekly list of trade chances gathered by the United States Department of Commerce is given below.

Addresses of persons and firms mentioned may be obtained through THE SUN. Questions regarding published items should be on separate sheets, a sheet to each item, and the number of the item should in all cases be stated.

THE SUN does not furnish credit ratings or assume any responsibility as to the standing of business men or firms abroad. The usual precaution should be taken in all cases. Those desiring American goods and what they want are:

811. A company in Italy wishes to receive quotations on 1,000 pounds of lubricating oil, 2,000 to 4,000 pounds of wagon grease and 25,000 to 30,000 square yards of waterproof covering for wagons.

812. A cooperative society in Belgium desires to purchase and secure an agency for the sale of chemical products for photography, photograph plates, cameras, kodaks and accessories, photographic paper and lenses.

813. X-rays for electromedical uses are desired by a man in Switzerland.

814. Catalogues and price lists of knock-down oak furniture, including mission style furniture, are desired by a man in South Africa.

815. Agency and purchase of restaurant and hotel equipment and supplies are desired by a company in Canada.

816. The purchase or agency for the sale of printing, typewriter, waxed and emery paper and writing paper in boxes is desired by a man in Italy.

817. A firm in South Africa desires to purchase an up to date mineral water plant.

818. The purchase of supplies for logging, such as wire rope, tree felling machines, motors, stump pullers and all necessary supplies to be used in forestry is required by a company of sawmill owners in Finland.

819. Cotton spinning and weaving machinery, 60 looms, one spooling machine of 200 spindles and one winding machine of 120 spindles are required immediately by a milling company in India. Reed space of looms 40, 46, 50 and 54 inches, all plain. An estimate for a spinning mill of 4,000 spindles is also desired.

820. The agency and purchase of brewers' machinery and articles, machines for bottling beer, machines for cleaning barrels and bottles and machinery for the production of carbonic acid gas are desired by a firm in Belgium. They also particularly require aluminum, cast iron and enamelled sheet iron tanks for conservation of beer.

821. Woodworking machinery is required by a man in Italy.

822. A company in South Africa desires to be placed in touch with manufacturers and exporters of tobacco sheep dip.

823. The purchase and agency for the sale of wood and metal working machinery, gasolene and heavy oil engines, two to twenty horsepower, are required by a man in Italy.

824. The purchase of broom sewing machinery is desired by a man in France.

825. Electrical machinery and supplies are required by an industrial corporation in Italy.

826. The purchase by a company in India of electrical industry supplies, gas and electric fixtures, iron, steel boilers, various metals, shipbuilding materials, engines, oil, electrical cable making machinery, flour mill machinery, motion picture machinery, raw rubber, porcelain insulators and porcelain articles used in electrical industries is desired.

827. Shipping and pulling chalks and anchors are required by a man in Greece.

828. Machinery and supplies of all kinds for the equipment of a modern silk spinning factory is desired by a man in France.

829. The purchase of emery wheels is desired by a man in Italy.

830. A firm in Portugal desires to purchase 100,000 quart bottles, dark green or dark brown in color, for port wine.

831. A furniture dealer and manufacturer in Australia wishes to purchase billiard table cloth 72 inches wide, billiard accessories and billiard rubber and mosaic wood flooring.

832. An agency is desired by a firm in Egypt for the sale of a general line of agricultural implements, including tractors.

833. The purchase of linens, sheetings, laces, hosiery and material for the making up of white goods of every description is desired by a firm in Spain.

834. Machines for the cutting and fashioning of cardboard are desired by a firm in Belgium.

835. The purchase of motor launches of ten to twelve horse-power, shallow draught, with canvas or wood covering, suitable for fresh water lakes in the tropics, is desired by a man in India.

836. Hemp binder twine and packing twine in very large quantities is desired by a firm in Denmark.

837. A company in Ireland wishes to purchase axles and springs primarily for two wheeled vehicles.

838. A manufacturer in Spain desires to assume the management of any American commercial concern or manufacturing company desirious of establishing itself in that country.

839. A merchant in Norway desires to be placed in communication with exporters of chemicals, chemical products and drugs.

840. The purchase and exclusive agency for the sale of clocks, alarm clocks, watches and watchmakers' and jewellers' tools are desired by a man in Algeria.

841. The representative of a firm in Norway who is in this country for a short time desires to purchase and secure agencies for leather goods, postcards, pictures, paper goods, picture frames, mouldings, machinery for picture frame cutting, soaps, novelties and materials usually sold in art publishing stores.

842. The purchasing agent of a firm having large department stores in several different countries is in the United States, and wishes to purchase for immediate delivery wearing apparel, cotton piece goods, cheap watches and alarm clocks, cut glass and glassware, electrical goods, laundry machinery, bakery machinery, furniture, stationery novelties, fountain pens, motorcycles, pianos, rubber goods, silver and plate goods, imitation jewelry, china and earthenware, hardware and photographic apparatus.

843. The purchase and agency for the sale of shoes for men and women, tanned leather, box calf, kid, and all leather used in the manufacture of shoes are desired by a firm in Belgium.

845. The purchase of asbestos and flint sand for making asbestos packing and steam packing material and preparations is desired by a firm in Spain.

846. The purchase of any line of manufactured articles sold by the hardware and garage trade is desired by a company in Canada.

847. One 40 horsepower Pelton wheel, 400 linear feet of 8 inch piping, one dynamo to transmit 40 horsepower by cable, 1,000 linear feet of electric cable for same, one 40 horsepower motor to drive machinery, two tons of 26 B. W. G. corrugated roofing tin, electric lighting plant and storage batteries, agricultural and other tools, coffee roasting and grinding machine, and motor cars are required by a man in India.

849. An electrical engineer in New Zealand wishes to secure prices and discounts on electric lighting, heating and cooking appliances, also on gas engines and generators for isolated lighting plants.

849. The purchase and agency for the sale of bicycle parts, tires and accessories and automobile parts are required by a wholesale firm doing business in these articles in France.

850. Cotton and woollen piece goods, velvets and shawls are desired by a company in India.
