COLUMBIA NEWS.

OUR REGULAR CORRESPONDENCE

At a meeting of the Columbia fire company held last evening it was decided to appoint a committee to confer with council on the question of having the engine put in the shop for repairs. The engine has been in continuous service for about fourteen years and the wear and tear of it in that time make the repairs absolutely necessary. The cost of these repairs will be somewhere near six or seven hundred dollars, and the company does not feel able to meet this expense, hence the appointment of the committee. Councils will meet on Friday evening next and will probably do something in the matter.

The Mite society of the E. E. Lutheran church met last evening at the residence of Hiram Wilson, on the corner of Second and Locust streets, and transacted what little business was brought up, when it was decided to adjourn to meet on Wednesday evening next, after prayer meeting, in the lecture room of the church.

Sheriff Strine made a clean sweep yesterday in the goods of the Utter Bros., seized by creditors and sold at public sale for their benefit. The sale was attended by the usual crowd of curious women and a few men. Most of the articles were sold at a higher figure than would have been asked in a retail store of the character of the one closed, and the remainder there was little lost upon. Some people—and they were at the sale yesterday—have an idea that anything purchased at an auction is cheap, whereas the contrary is very often the fact.

Rev. F. W. Stirley, pastor of the E. E. Lutheran church, will to-morrow evening begin a series of sermons to young men, to which all are invited to attend. These sermons will probably continue a couple of months. The subject for the initial sermon is "A young man who came was Sam."

Last evening, as previously stated in our rolling how Messrs. George Crane and J. A. Meyers brought in forty ducks; but then these ducks were "decoy ducks," inanimate wood in "critters," wingless, and to refine non-able to fly, legless and unable to waddle around, but of a symmetrical get up and side to swim for a week with a string around their necks. The second can be traced to a couple of rascally clerks.

A literary and musical exhibition will be given in the opera house on Friday evening, November 12th, under the auspices of St. Peter's Catholic church. The programme of exercises will be of an interesting nature, and we have no doubt the entertainment will take.

The Republican headquarters in "Odd Fellows hall have been dismantled. The iron pennants are flung to the breeze, the bunting has been taken down this morning and the room has been cleared vacated. The Democrat will probably follow suit with their headquarters in a day or two.

Putnam Circle, No. 113, R. H. of H. P. O. A., will attend the Reformed church at Third and Cherry streets, in a body to-morrow evening, when Rev. C. S. Gerhard will preach a sermon specially for them.

Rev. J. H. Reiner, the newly appointed pastor of the Church of God, of this place, will occupy his pulpit to-morrow morning and evening.

J. H. Roberts, of Lebanon, Pa., who has rented the store room next door below the postoffice, is making preparations to open a confectionery store.

At a meeting of the company officers last evening it was decided that the Republican bonfire will parade on Tuesday evening next.

At the Keystone columbia coal chutes this morning a boy, smaller, a Garfield knocked off the Hancock head gear of a boy of that persuasion, whereupon the latter, as a well-directed blow from the shoulder, knocked the former among cinders upwards.

At last night's meeting of the columbia gas company a committee was appointed to make arrangements for a ball to be held on New Year's Eve. The company has the refusal of Odd Fellows hall for the evening in question. The company notes, however, compelled to turn in their door keys and resolve a new chapter, as a new hall has taken place of the old one.

To-day is pay day at the Shawnee rolling mill.

The river has fallen a couple of inches in the last day or two—the result of opening the mill dams and fishways.

The deaths from diphteria will greatly swell this week's aggregate of interment at Mount Bethel cemetery.

Twenty-six members of Company H, have so far signified their intention of going to Washington D. C. with the company to participate in the inaugural ceremonies on the 4th of March.

A class of eight in book keeping has been formed here and will go to work at once. Vernon Ellis, the efficient secretary of the Susquehanna rolling mill will be the teacher.

Dr. N. B. Wone, of Cincinnati, Ohio, was in town today. He left at 11:40 for the west.

A new schedule will go into effect on the Pennsylvania railroad on Monday, Nov. 8, at 6 a. m. Mail train No. 2 will be due here at 10:57 a. m. instead of 10:50, as at present; Hooper accommodation at 11:35 a. m. in place of 11:30, and the Frederick accommodation train east at 3:10 p. m.—twenty-five minutes later than by the present schedule. These are the only changes at Columbia.

Railroad Time Changes.

On and after next Monday the winter schedule of trains on the Pennsylvania railroad leaving and arriving at Lancaster will be put into effect. The following are the changes: The York accommodation will arrive at 8:50 instead of 8:30 a. m.; the Pacific express will leave for Philadelphia at 12:10 p. m. instead of 1:03; the day express at 3:25 instead of 3:15; mail train No. 1, via Mount Joy, for the west, will leave at 10:20 a. m. instead of 10:10, and mail train No. 3, via Columbia, at 10:25 instead of 10:10; fast line west at 2:35 p. m. instead of 2:10, and Frederick accommodation at 7:40 instead of 7:35.

Gunning Accident.

A few days ago several of the students of Franklin and Marshall college went up to Conewago on a gunning expedition. Yesterday one of their number, F. E. Eshleman, met with an accident—the upple of his gun being blown out and striking him in the forearm inflicting a painful but not dangerous wound. This morning the party returned to Lancaster with game bags well filled.

In Town.

Hon. John H. Orvis, former state senator from Centre county, and ex judge of that court, was in Lancaster to-day, having stopped off between trains from 11 a. m. until 2:40 p. m.

Hon. Daniel Ermentrout, congressman-elect from Berks county, has been visiting Lancaster to-day and yesterday.

Fine Corn.

Emanuel Waltman, of Colerain township, has laid upon our table a very large and beautiful ear of yellow corn. The length of the ear is fourteen inches, and it contains eighteen rows, each row containing an average of 65 grains, making 1,170 grains in all.

Held for a Hearing.

John Gelchrist and George Myers, charged with committing an assault and battery on ex-Sheriff Groff, were held in bail for a hearing before Alderman Barr on Tuesday night. Chris. Schwartz, who is also charged with assault, had previously given bail for a hearing.

Sheriff's Sales.

This afternoon at 2 o'clock, at the courthouse, Sheriff Strine sold by virtue of sundry writs the following real estate:

A tract of land in West Lampeter township, containing 13 acres, on which are erected two two-story frame dwelling houses, also a one and a-half story frame dwelling house, bank barn and other improvements, as the property of Joseph Larner. Sold to B. F. Davis, esq., for $15, with notice that the said property was not now nor ever had been owned by the said Joseph Larner.

A tract of land in Caernarvon township, containing 20 acres, on which is erected a two story stone dwelling house and tavern stand, frame barn and other improvements, as the the property of George Weller. Sold to John B. Good, esq. for $50.

The other properties advertised to be sold were withdrawn.

Good Ducking.

It is estimated that 8,000 wild ducks were taken on the Susquehanna flats, in the vicinity of Havre de Grace, last Monday, the first day of the ducking season. A number of prominent gentlemen from New York, including Judge Gildersleeve, participated in the slaughter. The greatest number of ducks killed by any one box was that of Messrs. Mahan and Dobson, who secured 240; the highest number of any sneak-boat was that of Capt. Todd, who got 110. The flats still abound with ducks, and it is said that there is no perceptible decrease since the day before the gunning season opened.

Committed.

John Johnson, colored, was this afternoon committed to jail for ten days by Alderman McConomy for drunken and disorderly conduct. Johnson was arrested on Monday but was discharged on promising to behave himself. That same evening he became very disorderly and was rearrested, but bailed out by his friends, so that he might not lose his vote. His bearing was to have taken place yesterday, but he failed to appear. To-day he was sentenced as above stated.

Complimentary to Teachers' Institute.

The Lancaster microscopical society will give a complimentary soiree to the teachers' institute of Lancaster county on Tuesday evening next, after the lecture on "William Cullen Bryant." There will be some twenty or more compound microscopes on exhibition.
