Died From His Injuries.

Edward Keyton, the victim of the terrible railroad accident here Monday afternoon, died from his injuries about four o'clock yesterday. The shock was so great to the system that it was impossible for him to rally. The amputation had been completed a short time before the man died. Coroner Honaman, of Lancaster, arrived in town this morning, and impanelled a jury to hold an inquest. After examining the crew of the shifting engine and Daniel Brown, the car inspector, who saw the accident happen, the jury rendered a verdict "that the said Edward Keyton came to his death from injuries received while under a car, doing repairs in the west yard of the Pennsylvania railroad, and the said company and the employes are exonerated from all blame." The remains will be taken to Lancaster for interment.

Mrs. Dunlap, wife of S. B. Dunlap, a carpenter of the Pennsylvania railroad, died at her home on South Second street, last night at half-past nine o'clock. Deceased had been sick for some weeks and the death was due to paralysis of the brain. Services will be held at the house on Thursday morning at ten o'clock. The remains will be taken to York for interment. A husband and one son survive. Deceased was in her 40th year.

HOW IS THIS, MR. JOHNSON?

Capt. McMellen Says You and Your Affidavit Do Not Tell the Truth.

Capt. Elias McMellen, having read J. W. Johnson's card published in the Philadelphia *Times* wherein Mr. Johnson states regarding the forged naturalization paper issued to Fortunatus J. Frey, "I now have and for many years have had the written sworn evidence in my possession which will satisfy any court and jury in Christendom that the utterer of the bogus paper did not obtain it from me, as he testified he did, but that he *obtained it from Cam Muhlenberg, the maker of it*," became indignant, and to various persons to-day reiterated the truth of his testimony given on the trial of Johnson, that he (Johnson) and not Muhlenberg handed the forged paper to him (McMellen). This was done near the soldiers' monument on Centre Square, and Capt. McMellen solemnly declares that at the time he received the paper he had no idea it was fraudulent. He received it as he received hundreds of other papers on other subjects from Mr. Johnson, both of whom were engaged in campaign work for the Republican party. Capt. McMellen says further that if any person has given to Mr. Johnson a sworn statement that the forged naturalization paper was not handed to him by J. W. Johnson said sworn statement is a lie.

It is understood that the sworn statement held by Johnson was made by ex-Mayor Stauffer, and that Capt. McMellen called upon him to-day in company with a friend and asked him if he had made such a statement. Mayor Stauffer's memory seemed to be a little at fault about the matter, but he finally said that he had, at Johnson's urgent request, made some kind of a statement intended to exonerate him from the crime charged against him, but the wording of the statement he could not recall.

Arkansas Overwhelmingly Democratic.

The legislature will be Democratic by about the usual majority.

A Cloud Quickly Dispelled.

From the Chicago Tribune.

"My dear," said a young Chicago wife to her husband after they had returned from the wedding tour and settled down to housekeeping, "in looking over this box of books I find your father's old family Bible, and here is an entry under the head of 'Births' which says: 'Albert W., born May 3, 1840.' Didn't you tell me you were 37 years old?" "Ah," replied Albert pleasantly, "that's a copy of the old version. It's full of mistakes. In my office down town I have a family Bible of the new version. I'll bring it home this evening." Albert's new family Bible was found to contain a different version of his birthday, and the slight cloud that had hovered over his household was dispelled.

Levied on by the Sheriff.

He summoned two policemen and the two thieves were taken into custody.

A Bunsby Interview.

The Harrisburg *Telegraph* has a lengthy interview with A. J. Herr, on the question whether Dr. E. E. Higbee, superintendent of soldiers' orphans schools, for malfeasance in office in connection with the mismanagement of these institutions, must be first indicted before he can be impeached, or vice versa. It is a Bunsby kind of interview in which no conclusion is reached.

Romance in Philadelphia.

From the New York Herald.

Jules Verne is just perpetrating a romantic story, the scene of which is laid in Philadelphia. Any American could have told him that Philadelphians, while they have their good points, possess about as much romance as a grand jury bill of indictment.

The following is from the report of the judges on Wines at the Lancaster County Agricultural Association Fair:
We desire to make special mention of H. E. Slaymaker's large and elegant exhibit of Domestic Wines, produced by the Pleasant Valley Wine Company, of Rheims, Steuben county, New York. Their Special Great Western Extra Dry and Great Western Extra Dry Champagnes, Port, Claret, Dry and Sweet Catawba Wines, which we consider, compare favorably with Imported Wines.
