Barley—There is a rather better feeling on the part of buyers, and they are now offering 55c for prime, deliverable in October, but holders are not disposed to contract at this price at present.

Oats—The market retains the buoyancy noticed in our last, and buyers are plenty at 42@43c, but holders are asking higher rates. A sale of 500 bush at 50c. The receipts are very light, comprising only 700 bush during the last 24 hours.

Cheese—There is a good shipping demand, with moderate receipts, and the market is very firm at 6½c for prime selections, and 7c for extra fancy.

Butter—The market is steady, with a fair demand. A choice article, that would answer for the city trade, will command 12@14c. We quote prime at 11@12c.—Commercial.
