SEWING MACHINES.

THESE MACHINES CAN BE OBTAINED at Manufacturers Prices with a saving of from $5 to $10 by persons in the subscriber, where he will exhibit the different styles, and explain the principle on which they are manufactured, to any person who may call at his place of business. The decided preference given to these machines by those who have used them, and by all that have them in use, should induce those that feel interested in Sewing Machines to hear in mind that they are now combined at a cheaper rate than any one, such as hemmers, fellers, gathering, &c. All orders addressed to him or otherwise, will meet with prompt attention. JNO. E. STRONG, Agent, Mechanic Block, 77 Superior St., Cleveland, Ohio. Send for a circular.
