REVIEW OF THE GENERAL WHOLESALE AND PRODUCE MARKET FOR THE WEEK ENDING MONDAY, NOVEMBER 8, REFERENCE BEING HAD TO THE TABLES.

ALCOHOL—We give manufacturers' quotations as follows:

75 per cent	36c per gal.
85 do	40c do
95 do	42c do

COAL—The trade continues without material change. The receipts are as follows:

Per Mahoning Road	1,920 tons
Per Pittsburgh Road	1,240 "
Per Canal	2,900 "
Total	6,112 "

The amount received for the corresponding period of last year, was 9,145 tons.

COFFEE—Steady at our quotations.

FRUITS—Cranberries are in demand at $9 per bbl. for best; inferior qualities selling at $8,@8 50. Some very nice are held at $10, but are rather slow at that figure. Dried Apples have sold to a limited extent at $1 87, prices are bringing $2 30@$3 per bbl. according to quality. Sales of good winter at the latter price. Some choice lots picked fruit are held at $3.50.

FREIGHTS—As the rates adopted by the railroads are the only reliable ones, we continue to give them as follows:

First class—Cleveland to New York	80c per 100 lbs.
Second class	60c "
Third class	50c "
Fourth class	35c "
Flour, in lots of 50 bbls. and others	30c "

From New York west, as follows:

	1st Class.	2d Class.	3d Class.	4th Class.
N. Y. to Buffalo, all rail,	65	50	37	25
Cleveland all rail,	90	65	55	40
Rail and water	82	60	50	35
Sandusky, all rail,	100	70	65	40
Toledo, all rail,	105	80	65	45
Cincinnati, all rail,	120	88	70	55
Rail and water	112	80	65	50

Lake freights, which have ruled dull and irregular the whole season, were further depressed by the decline in produce, and there below no prospect of a recovery, vessels are stripping and taking up winter quarters.

FLOUR—The business of the week has been limited to the supply of the local demand. There has been a firm feeling among holders, and sales have been nearly up to the rates current before the decline. Extra range from $4.75@5.25, and double extras $5.50@6. There is no great amount of superfine on hand, $4.25@4.50 is a fair quotation for this quality.

Buckwheat is selling at $2.25@2.50 per cwt.

RYE FLOUR—Selling by mills for city use, at $4.25.

CORN MEAL—$4 62½ per cwt. from the mills.

GLASS—The following are the wholesale quotations. Ten per cent. off from these prices is allowed on jobbing! etc:

6 by 8 and 7 by 9	$1.60
6 by 10	2.15
8 by 11 to 9 by 11	2.40
9 by 12 to 10 by 12	2.60
9 by 13 to 9 by 14	2.65
9 by 14 to 10 by 14	2.65

GRAIN—WHEAT—The feeling in wheat has been better, and sales have in some instances been made at an improvement of 4@5c upon the prices of last week; prices ranging as high as $1.16 for good red. The amount of the transactions is small. The advance is partly speculative and partly caused by the inadequacy of the receipts to meet the local demand. The wheat in store here was purchased at the high prices of the early part of the season, and will be held till prices admit of its sale without loss, or till the holders may be compelled to sell. The receipts are improving, and the advanced prices will no doubt again draw it out. There have been no sales of white during the week, and we quote it nominally $1.15 for Ohio, an 95@97c—for white Indiana. Indiana red sold on Saturday at 96c.

CORN—Has been dull. We quote it 53@54c.

OATS—Have shared in the dullness, and with one exception sales have been confined to the supply of the retail trade—the exception was a lot of 3,000 bus prime old from store at 50c—New have sold at 42@c.

RYE—Nothing doing. Nominally 60c.

BARLEY—Has sold to a limited amount at 50c for old winter. We quote it 50@60c.

BEANS—Steady at 75@$1.

GROCERIES—COFFEE—Java has largely declined, and we quote it now 19@16c.

MOLASSES—We note a decline of 1c in New Orleans, which is selling at 44@45c.

HAY—Is selling at $19 per ton for timothy.

HOPS—Now are selling at 18@18c.

HIGHWINES—Have sold generally at 19½, with a few sales in small lots at 20c.

LUMBER—There is no change to note in the general features of the market. Prices remain steady, and the trade continues only moderately active.

OILS—No change.

PROVISIONS—MESS PORK—Held at $15,00@$16,00, with little doing.

MESS BEEF—Fresh packed is held at $10@10,50.

LARD—Sales during the week have been made at 9½c—New is held at 10@10½c.

TALLOW—The market is again supplied at 9½@9½c for best.

BUTTER—Sales of Central have been made at a range of 16@1 c, with some sales full Central in bbls. at 14c. A lot of nice new W. R. sold at 18c.

EGGS—Continue in demand at 18c. Some sales have been made above this figure for extra nice, but with the improved receipts of the past week, this may be regarded as the market.

CHEESE—Is dull with little doing beyond the supplying of local wants. Prime dairy is selling at 7@7½c.

SALT—We quote coarse $1,45@1,67 from store, fine do $1 40 from dock, with sales in small lots at $1,50. No variation in sacks, which we quote 90@1c for ground solar, and 1l@12½c for Mason City.

SEEDS—Timothy sells at $1,62 @1,87 according to quality and quality. Demand light. Nothing doing in other kinds.

SUGARS—We note a decline of ½c in Porto Rico and N. Orleans. No change in other kinds.

VEGETABLES—Potatoes are selling 50c for good Neshannocks. Onions are selling at 1½@50c.
