BUSTERED OUT.

BY GEORGE W. MUSGRAVE.

Hail to the hero mustered out,
Let the black-throated cannon shout,
And fling to the wind the start,
Rejoice, O ye jubilant bells,
The heart of the patriot swells,
And tears flow from their wells,
When we see the soldier's scars.

We welcome him home from the field,
Unfurnished his sabre and shield,
Untainted his fair crown,
Champion of the brave and free,
O what dash and spirit had he!
God grant that we may never see,
A cloud on his grand renown.

O let us muster him in,
Where the ranks of the true begin
To fight for themselves again;
While he has been striking the blow
At the rebels, another foe
Hath laid many a brave man low,
Who passed through the leaden rain.

An Act.

To provide for the safety of persons attending public assemblies.

SEC. 1. *Be it enacted by the General Assembly of the State of Ohio*, That it shall be unlawful for any hall, theater, opera house, church, school-house, or any building of any kind whatsoever, in any city or incorporated village, to be used for the assemblage of people, unless the same is provided with ample means for the safe and speedy egress of the person or persons therein assembled, in case of alarm.

SEC. 2. That in all cities and incorporated villages it shall be unlawful for any person or persons, society, corporation or individual whatsoever, who may be the owner or owners of, or have the control of any hall, theatre, opera-house, church, school-house, or building of whatsoever kind, to use or permit the same to be used for schools or public assemblages of people, unless said person or persons, society, corporation or individual shall have, from the authorities hereinafter designated of the city or incorporated village in which said hall, theatre, opera-house, church, school-house, or building is situated, a certificate in writing certifying that they have carefully examined the said hall, theatre, opera-house, church, school-house or building as the case may be, and that the same is well and abundantly provided with means of speedy ingress and egress for public assemblages in cases of danger or sudden alarm.

SEC. 3. It shall be the duty of the mayor, city civil engineer, and chief engineer of the fire department of the city or incorporated village, or in case there be no city civil engineer, or chief engineer of the fire department, then for the mayor and any two members of the council of such city or incorporated village who shall be designated for that purpose by by said city or town council in which any opera house, hall, theatre, church, school-house or building which is, or is to be used for public assemblages, is situated, upon the application of the person or persons, society, corporation or individual owning or having control of the same to make a joint examination of said hall, theatre, opera-house, church, school-house or building, as contemplated by the second section of the act, any two of whom shall issue, or refuse to issue as the case may be, the written certificate therein provided, which certificate shall continue in force for the period of one year, from its date, unless sooner revoked: provided that if any change or alteration shall be made in any of said buildings, the owner or owners, or persons having control thereof, shall notify the mayor of the city or incorporated village in which said building is situated, of such change, who shall, with the city civil engineer, and the chief engineer of the fire departments, or if there be no such officers, then with the other authorities herein before designated, make a joint re-examination of said building, any two of whom shall issue, as may be right, the written certificate as provided in the second section of this act, and it shall be unlawful for the owner or owners, or persons having control of said buildings so changed or altered, to use the same for the purpose of schools and assemblages of persons after ordering such change, unless they shall have a certificate as herein provided: provided, that if any owner or owners, or persons having control of any hall or other building herein above mentioned, shall feel himself or themselves aggrieved by the decision of said authorities, he or they may appeal therefrom to the city or town council, who may appoint any three disinterested persons to examine the said premises, any two of whom shall issue or refuse to issue a certificate, as provided for in the second section of this act, but no appeal shall be allowed from this last decision.

SEC. 4. If any person or persons on or after the first day of August next ensuing, owning or having control either individually or by virtue of his or their position as an officer or as an officer's agent or agents of any society or corporation, shall permit any hall, theatre, opera-house, church, school-house, or building over which he or they have control as aforesaid, to be used for the purpose of schools or public assemblages, without having the certificate as provided in the second section of this act, he or they shall be deemed guilty of a misdemeanor, and upon the conviction thereof, before the judge of the police court of said city or incorporated village, or if there be no police court therein, then before the court of common pleas, or other court having criminal jurisdiction of the county in which said city or incorporated village is situated, be fined in any sum not more than one thousand dollars for each and every time he or they shall permit said hall, theatre, opera-house, church, school house, or building to be used for the purpose of schools or public assemblages, without first obtaining the certificate provided for in the second section of this ack.

SEC. 5. This act shall be in force from and after its passage.

JOHN JOHNSTON,
Speaker of the House of Representatives.
S. HUMPHREVILLE,
President pro tem. of the Senate.

Ex-Governor Vance, of North Carolina, at the War Department.

On Saturday morning Ex-Governor Vance, in custody of Lieutenant Spencer Jones, from General Schofield's army, arrived at the War Department. Vance was dressed in a suit of dark blue coat and vest, cost with a black velvet collar, rather old fashioned, his vest of the same material; he had a gutta percha watch-chain but no jewelry. He wore a clean linen shirt, with black necktie carelessly arranged, his collar very large, turned down around his neck, and gave him rather an eccentric look; his hair was very long and combed backward from his forehead, very much like a girl. He looks as though he had lived upon the best that could be found, and never wanted for anything. His face full, his dark eyes set back in their sockets; his small lips protrude somewhat, and the lower one being the most prominent, gave him one of the most supreme looks of disgust, mingled with contempt and defiance, that can be made by a human face. His whole bearing comports with his looks, and one would suppose from his appearance that he was a mighty monarch passing through a section of his kingdom that he felt very much like disowning on account of its poverty. He followed the Lieutenant, however, as quietly as though he knew he was a captive, and was aware of the stupendous force he had been enacting and the crime upon his soul. It is probable that he will be tried for treason, and for the present will go to the Old Capitol. While he was awaiting an audience with the Secretary of War, Mr. Aiken, one of the counsel for Mrs. Surratt, came in, and recognized him as an old friend. They seemed very glad to see one another, and had quite a chat together. Both are old politicians and now of the same school.

A. Pardee & Co., at Hazelton, Pennsylvania, are now working what is considered, by competent judges to be the deepest coal mine in the United States. It is situated on the land of the Diamond Coal Company, and is known as the "Sugar-loaf slope." It is 970 feet in perpendicular depth, which is below the surface of the Lehigh river at Ten Haven. The slope is in the neighborhood of 3,000 feet in length. The mine has been worked successfully for nearly thirty years, thus proving the inexhaustible wealth of our anthracite coal deposits.

Jeff. Davis was captured disguised as a woman! Jeff. was never a very good looking man, but it appears his wife's dress made him captivating.

MEDICAL SUCCESS
EXTRAORDINARY.
100 DOLLARS PREMIUM!
SEMINAL WEAKNESS,
Or Spermatorrhœa, Gleet, &c., and
IMPOTENCY CURED,
AFTER ALL OTHER TREATMENT FAILS.
DR. A. GIBSON,

Formerly of New York City, will pay one hundred dollars for the proof that he ever fails to cure the above-named disease. He will pay the same sum for the proof that any other Physician in the United States treats the same disease with equal success.

After many years of laborious study and experience, Dr. Gibson is happy in being able to announce to the unfortunate, that he has perfected a system of treatment for

THE SPEEDY AND PERMANENT CURE

of the above, and also all contagious diseases of the Reproductive Organs, with all bad effects arising therefrom, including General

DEBILITY OR NERVOUS PROSTRATION.

He has succeeded in curing cases in this city, some of whom had expended hundreds of dollars with self-styled physicians, who profess to treat all private maladies with success, and without receiving the least particle of benefit.

Dr. Gibson does not boast that he is a member of some College in London or Paris, as perhaps some others do for the purpose of ensnaring the innocent, and who hold out great expectations never to be realized. But what Dr. G. might boast of if he thinks that he is able to give entire satisfaction to those who repose confidence in his ability and integrity, and that he has perfected an American system of treatment which challenges any Physician of London or Paris, or any patent medicine, to equal for the radical cure of seminal weakness, and all disorders or derangements, both mental and physical, arising from sexual or secret abuse.

Dr. Gibson also claims for his new treatment the following advantages overall others yet discovered: and first, the agents used are in no respect disagreeable; he uses no relics of the dark ages, such as Mercury, nor any other deleterious drug; secondly, no restrictions in diet or business is required; thirdly, his treatment is positive and certain in all cases. He adds present no to lots any public or private hospital in the United States will demonstrate the immense superiority of his new treatment over any other now known to the world, in point of promptness, permanency, mildness, secrecy and convenience to the patient.

Dr. GIBSON is permanently located in Cleveland, and has during the last five years been curing many cases of disease which had for years resisted all other modes of treatment. References can be given the individual of the first respectability in Cleveland, Boston, New York and other cities, to prove his skill and integrity in all professional transactions. Dyspepsia, Rheumatism, Scrofula, all Diseases of the Urinary Organs, and all Chronic Diseases treated with superior success.

Medicines sent to any part of the country on receipt of ten dollars.

PRIVATE AFFAIRS,
IN WHICH
All Classes are Interested.

Farmers, Drovers, Merchants, Lumbermen, Mechanics, Miners, Bankers, the rich and the poor, should ask themselves if the slightest SYMPTOMS, or so-called PRIVATE DISEASE, lurking in their SYSTEMS, if so, they should apply in person, if possible; if not possible in person, by letter, and receive by return mail a blank circular of questions, which will enable my one to know positively just how they stand.

To the intelligent reader it is not necessary to publish the names of the many complications and forms assumed by this terrible scourge, yet it may be advisable to mention a few of the prominent SYPHILIS PRIMARY, SYPHILIS SECONDARY, and SYPHILIS TERTIARY, the latter involving the bones in its deathly action.

Every one should know, also, that many of the most obstinate and worst SORE THROAT TROUBLES proceed from this cause, and will, if not properly handled, ultimately result in loss of voice. Look to your true interest, and consult by letter, or apply at

DR. DeHART'S

Every one should know that whilst the slightest constitutional contamination exists, marriage is impossible, for the good reason that whose offspring would be nearly always scrofulous. This, therefore, is one of the worst impediments to matrimony.

YOUNG MEN,

Suffering mentally and bodily from certain early improper practices, will find this a Dispensary where there is no uncertainty about curing cases, but where every one of such cases are cured permanently. No books published by me issued from this institution, by which the minds of the young are poisoned and they thereby ruined.

LADIES,

Married or single, requiring a Female Regulator, should enclose one dollar and three postage stamps, and by return mail they will receive with full directions, the only reliable Female Regulator in use. This Regulator is fast becoming the favorite of ladies of delicate constitution, simply because it is safe and can always be depended upon in removing obstructions from cause and any other cause.
