DAILY LEADER.

The Nasby Papers.

Mr. Nasby "Dreems a Dreem."

SAINT'S REST, which is in the Stait uv Noo Gersy), July 21, 1865.

Dreems is becomin the most commonest recreation I hev. I don't whether these dreems is the sperit of prophesy, sugar-coated with sleep, or whether they are sooperindoest by the reglar three-quarters uv a pound uv tripe I eat about 11 P. M., but dreems I hev.

Last nite I dreamed that I had brigd time, and wuz set ahead about nine months.

Methot the south hed bin consillyatid and reconstructid, and hed cum back into the sisterhood uv states, ez sisters ginrally cum back after a quarrel. South Carlina wuz representid in the house by Ginral Swasher, and all the Rhetts, et setry, and Missippy by a dozen or 2 Kernels and Ginrals, for that stait sent none to Kongress cepting its heroes. Geffson Davis wuz a candidait, but hevin sed, in his zeel for repudiashen, that he wuz for repudistin all debts, his constitooency wuz afrade that he mite inclood the Konfedrit war det, so they defeeted him, and electid Ginral McGoujum, who held that the Fedral war det wuz unconstoosheel, and must be repudiatid, while the Konfedracie ought to be paid ez a consilatory mesure. The genooine Dimockricy uv the North hed ioectid enuff members to giv the South contrite uv Kongris.

In my dream I wuz seated in the Gallery uv the House. A member from Noo York wuz introdoosin a bill appropriatin a sum uv money fer the purpose uv erectin a monument to the memry uv the Union sojiers who fell at Gettysburg. No sooner had the fanatic red the title uv the bill, than General McGoujum and Swasher and Kernel Pelter, uv Georgy, walked over to his seat, and with their caines beat him over the hed twenty or fifteen times. He wuz carried out for dead.

Ginral McGoujum claimed the floor.

"Mr. Speaker," sed he, "I'm bilin! Indignashen is a heevin and tossin my shivelrus soul in a most tremenjusly stile. I am Mr. Speaker, a citizen of this gellorus Republic. I stand here 2 day, reconstructid and consillyated—a loyal man. I hev took the oath and since hev violatid no rool or custom uv this House. I hev drawd my pay promptly—I hev even wented so fur in the sperit of forgivenis and christan charity, ez to take that pay in greenbax, instid of demandin gold, notwithstandin every one uv them bears the portrait uv that findish ape, that thirster after gole, that destroyer uv habis corpusis and constitootional rites, our late lamentid President. After makin these sacrifices shel I sit here calmly and allow a nigger steelin Yankee to insult the South with allooshns to Gettysburg and sich? Never!

Shel a Noo York missegenny shun-ist, in this ere hall, perpose 2 appropriate the treasure uv our common country to commemorate a fiend, on wich my constitoocency wuz walloped, without rebuke? Never! He hes bin rebuked—let him heed the warnin."

Several Ablishn members riz, but the Dimocrisy wuz firm and woodent let em speek. The southern members wuz a goin to withdraw in a body, wen Fernandy wood rose and perposed a compermise, ez follows:

That harmony and good feelin chood prevale, hentaish and forever.

The word "War" shall never be yoosed in these halls, that whenever referred to it shel be termed "misunderstandins."

That the flags, cannon and sich like trophies, found by the Fedral army in various parts uv the Southern staits, be towust destroyed.

That persh uns be pade to the misunderstandinists from both sekshuns, for services rendered the Guvernment.

That the various fields on2 wich these misunderstandins occurred, be plowed over at the expense uv the Guvernment.

That no book be publisht givin any akount uv prison life or sich.

That bunkum orators in this House, draw their hallooshns to our military fame solely from the Mexikin war.

The compermise wuz uv coarse adoptid. Ez the vote was announst Ginril McGoujum and Fernandy wood rush in2 each uthers arms, and wept down each uthers bax, while Kernel Pelter waved a flag over em, forming a picter trooly tetchin.

"Thank hevin," I exclaimed, ez I awoke from this refreshin sleep, "Brooks is ded, but his spirit still lives—his sole is a marchin on. So long ez we hev a southern dimocrisy to demand, and a Northern dimocrat to give all will be well. Bless the Lord!"

Cortinas and General Steele

A Texas correspondent of the New York *Tribune*, writing from Matamoras on the 12th ult., furnishing interesting information as the relations between our forces and the celebrated republican leader Cortinas:

I read in the *Comercio* to-day, that Cortinas was on the 8th in Brownsville, and the paper adds:

"One of the first acts of General Steele, on assuming command, has been to inform M. Cortinas that he does not wish to be troubled by him."

The correspondent of the *Comercio* writes:

BROWNSVILLE, July 9.

The people of this place were a little moved yesterday at the General Commanding in-Chief sending M. Cortinas away. Here are parts of the conversation General Steele had with the great offender against the Mexican people:

Gen. Steele—It would be still more serious if your partizans, according to your intentions, stated at the Rancho of Dona Estefera, had not assured Gen. Mejia that you had given up hostilities.

Cortinas—General, I know Mejia, but he knows still better the ruses of Negreta. Negrete will be always be beaten by the cool boldness of Mejia. The latter is the only strategist I fear. His plans only appear when they have succeeded.

Gen. Steele—But,—

Cortinas—I know what you would say. It is the error he committed in giving me troops. This is the second time that I have played them the same trick, and—

Gen. Steele—What?

Cortinas—Excuse me, I did not think of my oath. I will not forget its obligations.

Gen. Steele—If love of country is your motive, wait for another time of reaction. But now I regret to have to say to you that you are not wanted among us. You, or rather your petty troubles that you are creating everywhere you go, will cause complications with us that I have orders to avoid. So I hope—

And the two Generals parted.

The Erie Railway.

It is rumored about that the English capitalists of the Atlantic and Great Western Railroad have bought a controlling amount of the stock of the Erie Railway, and thus acquired command of that road, to identify its interest and its management with the former. Whether this rumor has any other foundation than the fact that Erie shares have risen considerably in the market within the last few days, in consequence, as reported, of large purchases on English account, or whether the fact is to be regarded as confirmation of the rumor, we do not know. But there is, certainly, much probability in the report. It has been whispered for some time that such a movement was in contemplation on the part of the A. and G. W. interest, and that interest is undoubtedly powerful enough, in its command of capital, to do the thing in question if it willed.

If it shall prove to be true that the Erie road has passed under the control of the Napoleonic capitalists of the Atlantic and Great Western the event is one of no small importance. In such hands, not only powerful in means, but extraordinary bold and energetic, the Erie would play a different part from what it has in the past. As a competitor of the New York Central, it would soon work some change in the conditions of railroad traffic, and, perhaps, by its counteraction or opposition of influence, some change in the organization and operation of New York politics. It could hardly fail to be a benefit to the State, to the public at large and to Buffalo especially, to have the Erie Railway energized by identification with such a power as that of the Atlantic and Great Western.—*Buffalo Express.*

JEFF. DAVIS HAS BEEN CAUGHT.
The war is now about played out,
Great changes have been wrought,
Our gallant boys are coming home;
Jeff Davis has been caught.
Huzza! huzza! now hang your banners out,
Huzza! huzza! let all the people shout.
The way the rebel chief was caught
Is laughable indeed;
He tried to run in petticoats,
But he did not succeed.
Huzza! huzza! hang all your banners out,
Jeff Davis has been caught, let every one now shout.
Our boys did think it very strange,
A woman should retreat
With a great bowie-knife in hand,
Until they saw his feet.
Huzza! huzza! our boys have got good sense;
'Twas gallant shoes and stogy boots they know the difference.
Oh, crinoline, we think you fine,
For you would not conceal
The flying rebel President,
When he did make his heel.
Huzza! huzza! there's nothing half so fine
To show a foot and ankle off, like well raised crinoline.
Your days are numbered now, old Jeff,
You surely cannot hope,
Or have a better end in view,
Than the end of a stout rope.
Huzza! huzza! Jeff Davis has no shoe;
In settling up all his accounts, just keep his crimes in view.
The boys who caught Jeff Davis,
We'll welcome one and all,
And treat them to a fine new suit
At ISAAC'S UNION HALL!
Huzza! huzza! fling the starry banner out,
Our gallant boys are coming home, let all the people shout.

AFTER ALL OTHER TREATMENT FAILS.
DR. A. GIBSON,
Formerly of New York City, will pay one hundred dollars for the proof that he ever fails to cure the above-named diseases. He will pay the same sum for the proof that any other Physician in the United States treats the same diseases with equal success.
After many years of laborious study and experience Dr. Gibson is happy in being able to announce to the unfortunate, that he has perfected a system of treatment for
THE SPEEDY AND PERMANENT CURE
of the above, and also all contagious diseases of the Reproductive Organs, with all bad effects arising therefrom, including General
DEBILITY OR NERVOUS PROSTRATION.
He has succeeded in curing cases in this city, some of whom had expended hundreds of dollars with self-styled physicians, who profess to treat all private maladies with success, and without receiving the least particle of benefit.
Dr. Gibson does not boast that he is a member of some College in London or Paris, as perhaps some others do for the purpose of ensnaring the innocent, and who hold out great expectations, never to be realized. But what Dr. G. might boast of is this, that he is able to give entire satisfaction to those who repose confidence in his ability and integrity, and that he has perfected an American system of treatment which challenges any Physician of London or Paris, or any patent medicine, to equal for the radical cure of seminal weakness, and all diseases or derangements, both mental and physical, arising from sexual or secret abuse.
Dr. Gibson also claims for his new treatment the following advantages over all other yet discovered:—and, first, the agents used are in no respect disagreeable; he uses no relics of the dark ages, such as Mercury, or any other deleterious drug; secondly, no restriction in diet or business is required; thirdly, his treatment is positive and certain in all cases. He stands prepared to go into any public or private hospital in the United States, and demonstrate the immense superiority of his new treatment over any other now known to the world, in point of promptness, permanency, mildness, safety and convenience to the patient.
Dr. Gibson is permanently located in Cleveland, and has during the past five years performed many cures of diseases of a bad form, for years resisted all other modes of treatment. Reference can be given to individuals of the first respectability in Cleveland, his son, New York and other cities, in regard to skill and integrity in all professional transactions.—Dyspepsia, Rheumatism, Scrofula, all Diseases of the Urinary Organs, and all Chronic Diseases treated with superior success.

Farmers, Drovers, Merchants, Lumbermen, Mechanics, Miners, Bankers, the rich and the poor, should ask themselves if the slightest SYPHILITIC or so-called PRIVATE DISEASE, taint is lingering in their SYSTEMS, if so, they should apply in person, if possible; if not possible in person, by letter, and receive by return mail a blank circular of questions, which will enable any one to know positively just how they stand.
To the intelligent reader it is not necessary to publish the names of the many complications and forms assumed by this terrible scourge, yet it may be advisable to mention as most prominent SYPHILITIC PURISMY, SYPHILITIC SECONDARY, and SYPHILITIC TERTIARY, the latter involving the bones in its deathly action.
Every one should know, also, that many of the most obstinate and worst ULCERATED THROATS proceed from this cause, and will, if not properly handled, ultimately result in loss of voice. Look to your true interest, and consult by letter, or apply at
